Welcome Note

MAYER BROWN
JSM

Dear fellow INTA attendees

With INTA 2014 crossing the shores and visiting Mayer Brown JSM's home-city, Hong Kong, this year we thought we would put together this map as a reference guide in advance of your trip. In it you will not only find recommended hotels to book in advance and restaurants to consider for your meetings throughout the event; but also key sight-seeing attractions we hope you will get to experience during your time in Hong Kong.

We hope you find this pocket map useful and look forward to seeing you in May!
