1221 Avenue of the Americas, 14th Floor
New York, NY 10020
February 10, 2026

2:00 pm Arrival and Registration

2:30 pm Welcome and Opening Remarks

Speakers: Dave Alberts, Partner and Co-Leader Global Insurance Industry Group | Mayer Brown
Katie Reynolds, Executive Director | AIRROC

2:35 State of the Legacy Market – A Deal Makers’ Roundtable

An inside look at current conditions shaping legacy transactions. Senior deal professionals will discuss pricing dynamics, investor appetite, availability and cost of capital, structuring trends across LPTs, ADCs and novations, and the pipeline for 2026. Conversation will compare buy- and sell-side priorities, execution risk, and the outlook for the next 12 months.

Panelists:

Rebecca Wilkinson, Director | PwC
Dustin Loeffler, Senior Managing Director & Head of U.S. Legacy | Aon
Bill O’Farrell, Chief Executive Officer | Premia Holdings Ltd.
Eli Edson, Head of M&A, North America | Riverstone International
Vikram Sidhu, Partner | Mayer Brown (Panel Moderator)

3:25 pm Networking Break

3:40 pm Federal Policy Update: Implications for Insurance and Reinsurance

This panel will examine key policy and enforcement developments emerging from Washington that are most likely to affect the insurance and reinsurance industry, including evolving tariff and trade policies, DOJ enforcement priorities, and regulatory posture. Firm partners will discuss practical implications for insurers, reinsurers, and

market participants, with a focus on risk exposure, cross-border transactions, and strategic planning in a shifting federal landscape.

Panelists:

Yuliya Feldman, Partner | Mayer Brown

Gina Parlovecchio, Partner | Mayer Brown

Mickey Leibner, Partner | Mayer Brown

Justin Herring, Partner | Mayer Brown

4:30 pm Training Session: Practical Due Diligence for Legacy Deals

A hands-on training designed for practitioners conducting diligence on runoff transactions. The session will walk through a diligence playbook covering data requests and validation, adverse development analytics, claim file sampling, reinsurance collectability, operational readiness, third-party administrator oversight, collateral and trust mechanics, broker-driven market engagement, key contractual terms, regulatory consents, and closing deliverables. The program will highlight common pitfalls and propose pragmatic solutions to keep timelines and budgets on track.

Panelists:

Layla Trummer, Senior Transaction Actuary, M&A | Enstar Group

Angela Sampson, Managing Director | Guy Carpenter

Juliana Toes, Associate | Mayer Brown

Charles Watson, Associate | Mayer Brown

5:15 pm Adjourn to Networking Reception
