

## Mayer Brown NextGen Round-up | December 2018

2018 in review

[The NextGen network is launched](#)

Thank you to everybody who was able to attend our NextGen launch event in September, where Priya Lakhani OBE gave a truly inspirational account of her entrepreneurial journey, from her career in law through to the cutting edge of developing artificial intelligence in classrooms.

It was fantastic to see so many people across a broad range of industry sectors turn up to support our launch event!

### [Celebrating the festive season](#)

To mark the start of the festive period and to round off a fantastic end to the first year of Mayer Brown NextGen, it was great to share a glass (or two!) at the Ten Bells in Spitalfields.

We are delighted to see NextGen recognised in [The Times Best Law Firms 2019](#).

Thanks to all for your involvement, encouragement and support this year.  
We look forward to carrying this momentum through to 2019

## NextGen 2019

### [14 March 2019 – An evening with British Olympic medalist Leon Taylor](#)

Ask successful leaders about what made them achieve their goals and you'll often hear them talk about 'moments' of opportunity or adversity. Moments when being able to deliver, innovate and evolve pushed their boundaries to achieve more than they thought possible.

We are delighted to announce that British Olympic medallist [Leon Taylor](#) will be headlining our next event to explain how your choices lead the path for your vision and how those choices can also inspire others. Leon will open your eyes to what mental wellness and conditioning can do for high performance.
