Oil & Gas Experience

“Particularly focused on project development and transactions in the oil and gas sector. The team’s knowledge also includes tax litigation, labour law and corporate mandates. Clients describe the firm’s service as very prompt, knowledgeable and cost-effective.”

*Chambers Global, 2019*

## Representative Deals

### ANGOLA

- Advised **Genel Energy** and **White Rose** on a US\$250 million farm-in to two Statoil-operated deepwater blocks in Angola.\*
- Represented **Eni** on the terms of its concession/PSAs in Angola and Ghana.\*
- Represented **Maersk Oil** on its operations in Angola, including in respect of its major Chissonga field development.\*
- Advised the **Angola LNG Project** with respect to the sale of LNG to Angola LNG Supply Services LLC and the sale of regasified LNG to the US marketing affiliates of the project sponsors. When the market changed such that the import of LNG into the United States was no longer economical, our lawyers represented the Angola LNG Project in the creation of an international marketing company to sell LNG into the international markets on both a spot and long-term basis.\*
- Served as project counsel to the **Angola LNG Project**, an integrated project to monetize associated natural gas produced along with Angola's off-shore oil and gas production. Responsibilities included all matters related to the creation and corporate governance of the incorporated joint venture that constructed the project gas supply, the development of an off-shore pipeline, negotiation for the purchase of LNG regasification and storage capacity in the United States and LNG and NGL sales and the sale of regasified LNG at the tailgate of the US regasification terminal.\*
- Represented **Maersk Oil** on negotiations with a supermajor for the unitization of petroleum development areas in the lower Congo Basin, Angola, and/or facilities sharing arrangements.
- Represented **Maersk Oil** in the sale of its 40% interest in the Polvo oilfield, located in the Campos Basin approximately 100 kilometers off the coast of Rio de Janeiro state, to HRT O&G.
- Represented **Maersk Oil** with regards to setting up the business structure for the Block 16 development, advising on various legal, tax and foreign exchange matters pertaining to such projects.
- Represented **Maersk Oil** in the acquisition of a 20% participating interest in Concession BM-C-34 from Devon Energy Brazil.
- Represented **BP** with FCPA issues resulting from the enactment of a new Law on Administrative Probity.
- Represented **Ecopetrol**:
  - » in the acquisition of Statoil's 10% participating interest in Blocks 38/11 and 39/11 (Kwanza Basin), located offshore Angola;\*
  - » in the acquisition of up to 15% participating interest owned by Statoil Angola in Blocks 38/11 and 39/11. \*
- Represented **Hercules Offshore** on various day-to-day legal and tax issues in Angola.
- Represented **Sonangol Empresa Publica, BP Angola, Cabinda Gulf Oil Company, ENI Angola and Esso Angola** as project counsel in developing a fiber optic network for offshore oil and gas operators (Project Sooc).\*
- Represented **Sonangol** in relation to the global corporate reorganization of the Sonangol's group, the country's participation in OPEC.\*
- Represented **Schlumberger** on various day-to-day legal and tax issues in Angola.\*
- Represented a **major oil production** client with the negotiations on a drilling contractor for Angola offshore work. We have been advising the client on how to handle the report of sensitive Angola-related financial information such as Bonus payments.\*

## Representative Deals

---

- Represented **Tidewater** to establish their new joint venture investment in Angola with Sonangol towards the provision of marine services to the Angola-based oil industry.\*
- Represented **Cameron International** in relation to structuring their business operations in Angola regarding a tender for a US\$ 2 billion subsea project offshore Angola.\*
- Represented **CEPSA** in a farm-in transaction for the acquisition of China Sonangol International Holding Limited's 10% interest in block 19/11 (an oil block based in Angola). Our role in this transaction consisted mainly of advice on the legal and tax structuring of the transaction; analysing and reviewing the Finance Agreement, Production Sharing Agreement and the Farm-in (Assignment) Agreement; and advising and assisting on the negotiation of the Joint Operating Agreement with the other co-ventures.\*
- Represented **Heerema Marine Contractors** in the negotiation of a JV with a potential Angola partner to provide services for IOCs in Angola.\*
- Represented **Transocean** in the negotiation of a JV with a potential Angola partner and in the restructuring of its Angolan operations.\*
- Represented **MS Telcom** in the negotiation of a \$147 million EPC for communication and e-services for the Angola LNG Project.\*
- Represented **BP** in a major financial transaction named "Project Vuvuzela", in which issues were addressed on local law on matters pertaining to the transaction, such as foreign exchange requirements and tax exposure.\*
- Represented **BP** in the negotiation of production sharing contracts and JOAs for Blocks 19, 20, 24, 25.\*
- Represented **BP** in the negotiation of a farmout with Petrobras for Block 26.\*
- Represented **BP** in various aspects of the Angola LNG project.\*
- Represented **BP** in multi-operator PSC abandonment procedures task-force.\*
- Represented **BP** in industry-wide emergency response program.\*
- Represented **BP** in multi-company purchase of Sikorsky emergency evacuation helicopters.\*
- Represented **BP** in numerous conflicts of interest. FCPA and fraud investigations.\*
- Represented **BP** in Torres Atlantico and Torres do Carmo office and residential buildings construction projects.\*
- Represented **BP** in multi-billion dollar development projects on Blocks 18 and 31.\*
- Represented **BP** in multi-billion dollar tax disputes with Angolan government.\*
- Represented **BP** in many aspects of China Sonangol's divestiture of its 10% holding in Block 19/11.\*
- Represented **BP** in numerous discussions with Sonangol regarding possible PSC amendments to allow development of "marginal" areas of Blocks 18 and 31.\*
- Represented **BP** in the drafting and negotiating of documents related to the multi-billion dollar SOOC fibre project (not completed).\*
- Represented **BP** in discussions with an operator regarding DOJ and SEC allegations.\*
- Represented **BP** in negotiations with Odebrecht for the construction of a major housing project for expatriates.\*
- Represented **BP** in the training and Angolanization of its Legal Department.\*
- Represented **BP** in FCPA compliance training to BP employers, contractors and sub-contractors on various occasions.\*

- Represented **Conoco** in the negotiation of the Block 5 and 6 Production Sharing Contracts.\*
- Represented **Conoco** in the construction of a housing and office complex at Cacuaco, Angola.\*
- Represented **Conoco** in the drafting and negotiation of a wide range of drilling, well services, seismic, aviation and other services contracts.\*
- Represented **Conoco** in the registration of its local branch.\*

#### BENIN

- Represented the **Government of Benin** on the development and structuring of a FSRU project, the first of its kind in West Africa, for the supply of up to 0,5 million tonnes per annum of regasified LNG to the country.

#### CAMEROON

- Represented **MOL** in the purchase of oil & gas assets in Cameroon.\*
- Represented **Golar Hilli Corporation** and **Golar Cameroon**, of the **Golar LNG group**, on the negotiation and signing of a gas convention with the Republic of Cameroon in connection with the installation and operation of a floating liquefied natural gas (FLNG) facility located off the coast of Kribi in southern part of Cameroon.\*
- Represented **Actis**, in connection with the drilling and testing by Euroil of two natural gas wells in Bomono, Cameroon, the supply and sale of the gas from the wells to Actis and the installation of a temporary power plant and overhead line by Actis.\*
- Represented the **Government of Cameroon**, in connection with the \$90 million prefinancing arrangements for the adaptation works on the Chad-Cameroon Pipeline required for the development of the Lom Pangar hydropower project.\*

#### CHAD

- Represented **CNODC**, a Chinese state-owned oil & gas company, in connection with the drafting and negotiation of the documentation for the establishment of a JV project company with the State of Chad for the construction and operation of a refinery; and the drafting and negotiation of the \$588 million limited-recourse financing and security documentation in connection thereto.\*
- Represented **CNPC**, a Chinese state-owned oil & gas company, in relation to its successful negotiations with the government of the Republic of Chad and SHT, the national oil and gas company, in their farm-out and financing (carry) arrangements relating to Block H.\*

#### CONGO

- Represented **Chevron**, in the context of the negotiation of an exit agreement with the Republic of Congo relating the divestment of downstream assets.\*
- Represented **CNOOC**, a Chinese state-owned oil & gas company, in connection with the negotiation and the execution of a joint operating agreement relating to the High Sea A permit with SNPC, the Congolese NOC.\*
- Represented **Etablissements Maurel & Prom**, France's second largest E&P company, in the context of several transactions regarding the M'Boundi, La Noumbi, Kouilou, Tilapia, Pointe Indienne and Marine III permits.\*
- Represented **ARCO** in the drafting and negotiation of a tax and royalty agreement in the Marine II Block, as well as the related suite of required operational agreements (drilling, wellsite services, seismic, aviation, etc.).\*

### CONGO (BRAZZAVILLE)

- Represented **PA Resources** on its farm-out of assets in Congo (Brazzaville) to SOCO and in its disposals in both Equatorial Guinea and Tunisia.\*

### COTE D'IVOIRE

- Represented **CNR** on its purchase of assets offshore Ivory Coast.\*

### DJIBOUTI

- Advised a confidential client in relation to its LNG marketing arrangements in connection with Djibouti LNG.\*

### EGYPT

- Represented **BP** in its farm-in transaction for 10 percent of Eni's Zohr development in Egypt (plus an option for a further 5%).\*
- Represented **Chevron** on its acquisition, by exchange, of assets in Egypt.\*
- Represented a **listed European E&P company** in relation to a feasibility study and proposal for an offshore gas pipeline and long term gas sales arrangement offshore Egypt.\*

### EQUATORIAL GUINEA

- Represented **White Rose Energy Ventures** in its acquisition of assets, offshore Equatorial Guinea.\*
- Advised a **bidder** in relation to its proposal to provide an FLNG solution to Ophir's Fortuna development offshore Equatorial Guinea.\*
- Represented a US company in connection with a private port to be built in a Free Trade Zone under a government concession from the Government with facilities to include oil storage and transfer facilities, container, bulk and liquids handling facilities, airfield and runway for air cargo operations and related facilities.

- Represented **Mitsui & Co, Ltd** in the acquisition of shares in Equatorial Guinea LNG and subsequent project implementation matters.
- Represented **PetroSA**, in relation to the negotiation and execution of PSC agreements with Equatorial Guinea.
- Represented **PetroSA**, in relation to the renegotiation of an EPC agreement with Blue Water company in the Sable Field. Drafting an Amendment to the EPC contract previously executed.

### GABON

- Represented **OMV** on a series of acquisitions and subsequent disposals in Gabon, Namibia and Madagascar.\*
- Represented **Harvest Natural Resources Inc.** on the US\$32 million sale of its 66 2/3 percent working oil and gas interest in the Dussafu Marin block located offshore Gabon through the sale of its wholly owned subsidiary, Harvest Dussafu B.V., to BW Energy Gabon Pte. Ltd., which is a subsidiary of BW Offshore and BW Group.
- Represented **KNOC**, the Korean National Oil Company, in connection with its bid for the acquisition of Addax, holder of with multiple significant oil& gas properties in Gabon.\*
- Represented **Canadian Natural Resources**, in the context of the reorganization of its participating interest in the Olowi oil & gas license offshore Gabon.\*
- Represented **ARCO** in the drafting and negotiation of the production sharing agreement for the offshore Tolo and Oti Blocks, as well as the related suite of required operational agreements (drilling, wellsite services, seismic, aviation, etc.).\*

- Represented **Etablissements Maurel & Prom** in the context of a USD 600 million term loan with Bank of Tokyo-Mitsubishi UFJ, Ltd and eight other Asian lenders for the purposes of, inter alia, the refinancing its oil and gas operations in Gabon.
- Represented **Etablissements Maurel & Prom** on the potential acquisition of Total assets and Shell assets in Gabon.
- Represented **Etablissements Maurel & Prom** in connection with the drafting and negotiation of a farm-in agreement and related JOA with Tullow Oil regarding an oil & gas license.
- Represented **Etablissements Maurel & Prom** on the renewal of its seven exclusive exploitation and development licenses in Gabon covering 6,100 km and on the renegotiation of the related production sharing contract with the government.\*
- Represented **Etablissements Maurel & Prom** in connection with the drafting and negotiation of a farm-in agreement and related JOA with Steam Oil regarding an oil & gas license.\*
- Represented **Etablissements Maurel & Prom** in connection with the drafting and negotiation of a farm-out agreement with Maersk regarding an oil & gas license.\*
- Represented **Etablissements Maurel & Prom** in connection with the drafting and negotiation of a settlement agreement with a partner in an oil & gas license.\*
- Represented **Etablissements Maurel & Prom** in connection with the negotiation of a tax settlement agreement with the government.\*
- Represented **Setanta Energy** in connection with its negotiations with the government for the award of an offshore block and the drafting of the related production sharing agreement.\*
- Represented **Setanta Energy** in connection with its negotiations with an adjacent oil & gas license holder and the drafting of the first AIPN-based unitization agreement to be implemented in Gabon.\*
- Represented **Setanta Energy** in connection with its bid to acquire an oil & gas license held by Total Gabon.\*
- Represented **Setanta Energy** in connection with the drafting and negotiations of various commercial agreements including crude oil sales and transportation agreements.\*

#### THE GAMBIA

- Advised **BP** on its bid and eventual award of a Petroleum Exploration, Development and Production Licence for the A1 block offshore The Gambia.\*

#### GHANA

- Represented **Tullow plc** in relation to its joint venture operations in Ghana (with Kosmos and Anadarko) and a World Bank/IFC investigation into the activities of their joint venture's FPSO operator – and related matters.\*
- Represented **Swiss African Oil**, a small start-up, in negotiating its Petroleum Agreement with the Petroleum Commission in Ghana.\*
- Represented **Eni** on the terms of its concession/PSAs in Angola and Ghana.\*
- Represented a **European independent** in relation to a joint operating agreement and Petroleum Agreement dispute in Ghana in respect of its offshore exploration interests.\*

- Represented **Chase Petroleum** on the fuel supply and storage joint venture with Vitol, the energy and commodity trading group, in connection with the construction and operation by Chase of a light crude oil tank farm in Tema, Ghana. The LCO tank farm is part of a wider project by Cenpower, an independent power producer, to construct a 359MW power plant which will provide 10% of Ghana's total installed capacity. Vitol will be the exclusive supplier of crude and distillate to the power plant while Chase will construct and operate the storage facility and related infrastructure and supply distillate to Vitol.

### LIBYA

- Represented **BP** on its farm-out of a 42.5 percent operated interest in the onshore Ghadames South and Ghadames North blocks and the Sirte block offshore Libya and arrangements for access to existing production and transport infrastructure in country.\*
- Represented **Occidental Petroleum** in relation to various issues arising from a prior acquisition of various upstream interests in Libya under E&P sharing agreements.\*
- Represented a **oil & gas company** on the negotiation of a contract with a national oil company to rejuvenate and expand an existing liquefaction plant and terminal facilities in Libya with a view to restoring it to its original nameplate production, as part of an integrated project including natural gas production, transportation and processing, and the production and marketing of LNG and condensates.\*

### MOROCCO

- Represented **BP** on its farm-in in regards to three exploration blocks in offshore Morocco, operated by Kosmos Energy.\*

- Represented **Gulfsands Petroleum plc** on its purchase of Cabre Maroc Limited, an offshore company with significant acreage in Morocco.\*

### MOZAMBIQUE

- Represented **Anadarko** as the operator in the development of the **Area 1 Mozambique LNG project**. We headed the drafting and negotiation of the legal and contractual framework for the Mozambique LNG project which ensures historical and practical knowledge of the project in-depth including preliminary stages such as the discussion of LNG structures with Area 1 Concessionaires and the Government including the drafting of an LNG Project Agreement that was presented to the Government in 2012, the analysis of a Facility Concession Agreement and Tax Law before deciding on structuring the Mozambique LNG project as an integrated LNG project under the Area 1 EPCC.\*

- Advised a **Russian major Oil Company** with legal issues in its exploration blocks in Mozambique, a project of US\$527 million.
- Advised **Anadarko** on all aspects of its LNG sales and marketing arrangements in connection with the Mozambique LNG project.\*

- Represented **Anadarko** in its projects in Mozambique's Rovuma basin area.
  - Represented a Brazilian engineering company for the provision of engineering services for Vale Mozambique, in a project of US\$ 150 million.
  - Represented the **global leading Brazilian energy equipment manufacturer** in an M&A transaction for the acquisition of a South African/Mozambican company.
  - Represented **Cameron/OneSubsea** on various legal issues related to Rovuma basin projects.
  - Represented **Geokinetics**, the Houston based company, on various legal issues related to Rovuma basin projects.
  - Represented **Icro** in providing services to several significant projects in Mozambique.
  - Represented **Forship** in providing services to several significant projects in Mozambique.
  - Represented a **major Japanese conglomerate** on the development of a petrochemical plant in Mozambique.
  - Represented **Petronas** in the negotiation of a petroleum exploration and production contract in the Mozambique Rovuma basin area.
  - Represented **Sasol** on various legal issues dealing with the utilization of the Mozambique-South Africa pipeline.
  - Represented **Subsea7** and **Schlumberger** on various tax and legal issues related to Rovuma basin projects.
  - Represented **Wentworth/Artumas** in the negotiation of a Petroleum Exploration & Production Contract in the Mozambique Onshore basin.
  - Advised **Trafigura Group** on various legal issues and transactions in Mozambique and Brazil for their Oil & Gas midstream and downstream division.
  - Represented **ARCO** in the drafting and negotiation of the production sharing agreement for the onshore Pande Block which led to a major gas development project (Mozambique to South Africa gas pipeline), as well as the related suite of required operational agreements (drilling, wellsite services, seismic, aviation, etc.).\*
- NAMIBIA**
- Advised **Excelerate Energy**, a US based LNG marketing and infrastructure company, in its time charter of a FSRU in Kuwait and for the proposed FSRU for the use in Namibia.
  - Represented **Etablissements Maurel et Prom** in connection with the negotiation and execution of 2 joint specific operating agreements pertaining to exploration licences in 0044 and 0045 offshore Namibia\*
- NIGER**
- Represented **CNODC**, a Chinese state-owned oil & gas company, in connection with the drafting and negotiation of the contractual and financing documentation (including a \$880 million loan agreement together with the usual security package) relating to its \$5 billion investment in the Republic of Niger, for the acquisition of the on-shore "Agadem" oil block, the construction of the first refinery in Niger and the construction of pipelines for transportation and export of crude oil and refined products.\*
- NIGERIA**
- We advised **Eland Oil & Gas plc** on its sale to Seplat Petroleum Development Company Plc, the West African oil & gas operator, for £382 million.

- Represented a **global oilfield services company** in relation to its new JV relationship with a Nigerian indigenous oil & gas development company and investment into operations for an offshore oil development, including a novel “synthetic equity” remuneration model.\*
- Represented the preferred bidder on the acquisition of an “OML26” in Nigeria.
- Represented **BNP Paribas** (and other commercial lenders) on the extension and increase of the \$250 million RBL facility for Faroe Petroleum.
- Represented **BNP Paribas** on the refinancing of the borrowing base financing for the Okoro Field in Nigeria.
- Represented **Petrobras Nigeria** in relation to development of Engina Project field with different participating parties (NOC, Sapetro, Total, local company and IOCs), assistance in the negotiation of a set of agreements, including E&P contracts, hydrocarbon transportation agreement, processing and LNG plants, and financing deals.
- Represented a **state petroleum corporation** on breach of agreements relating to environmental protection.
- Represented a **contractor** on the proposed contracts for three CHP plants.
- Represented **Nigeria National Petroleum Corporation** in the drafting of the Biofuels Law for Nigeria.
- Represented **4D Global Energy Advisors**, a French investment fund, in connection with the drafting and negotiation of the largest gas supply agreement (in a take-or-pay form) currently in place in Senegal, together with the related securities.\*
- Represented **Etablissements Maurel & Prom**, in the context of several transactions regarding the Sebikhotane permit.\*

### SIERRA LEONE

- Represented **Zenith Bank** in connection with a US\$27,000,000 secured facility to a Sierra Leone company to develop, construct and operate a jetty for oil tankers in Sierra Leone.

### SOMALILAND

- Advised **Genel** in relation to an exploration campaign for its onshore acreage in Somaliland.\*

### SUDAN

- Represented an **Indian oil company** in relation to the construction of a multiproduct pipeline in Sudan on a build-operate-lease-transfer (BOLT) basis and structuring for a prospective project financing.
- Represented an **Indian oil company** in relation to the expansion and refurbishment of a major refinery in Sudan on a BOLT basis.

### TANZANIA

- Advised **Equinor** on early stage risk analysis and project structuring options for a proposed onshore LNG terminal for processing natural gas from the Block 2 discovery offshore Tanzania.\*
- Represented **African Eagle Resources** plc on a number of matters as it progressed in its transition from an exploration company to a development company, including its disposal of 90% of its interest in the Dutwa project to Blackdown Minerals.

## Representative Deals

---

- Represented an **independent oil company** on the drafting and negotiation of a Production Sharing Contract for use in a frontier hydrocarbon province in Tanzania.
- Represented a **major oil company** as co-sponsor of an LNG project in Tanzania in collaboration with the owners of multiple deepwater blocks (with different licensing and development terms and timelines). The role included advising on the terms of a Host Government Agreement between the host government, the national oil company, and the international oil companies.

### TUNISIA

- Represented **Gulfsands Petroleum** on its farm-in to assets in Tunisia and the subsequent sale of the same to its joint venture partner.\*

### PAN-AFRICA

- Represented **PA Resources** on its pre-divestment restructuring of its African and European businesses.\*

*\* Transactions led by Mayer Brown attorney while at a former firm.*

“Celebrated mining practice with a growing presence in oil and gas, power and energy. Recognised for its prowess in mining project finance, in addition to its expertise in energy-related disputes and novel IPP mandates. Adept at handling corporate matters for petrochemical companies, as well as advising a long list of sponsors and governments on project development. Draws on its global network to support clients across Anglophone, francophone and Lusophone Africa.”

Mayer Brown is a distinctively global law firm, uniquely positioned to advise the world's leading companies and financial institutions on their most complex deals and disputes. With extensive reach across four continents, we are the only integrated law firm in the world with approximately 200 lawyers in each of the world's three largest financial centers—New York, London and Hong Kong—the backbone of the global economy. We have deep experience in high-stakes litigation and complex transactions across industry sectors, including our signature strength, the global financial services industry. Our diverse teams of lawyers are recognized by our clients as strategic partners with deep commercial instincts and a commitment to creatively anticipating their needs and delivering excellence in everything we do. Our "one-firm" culture—seamless and integrated across all practices and regions—ensures that our clients receive the best of our knowledge and experience.

Please visit [mayerbrown.com](https://www.mayerbrown.com) for comprehensive contact information for all Mayer Brown offices.

Mayer Brown is a global services provider comprising associated legal practices that are separate entities, including Mayer Brown LLP (Illinois, USA), Mayer Brown International LLP (England), Mayer Brown (a Hong Kong partnership) and Tauil & Chequer Advogados (a Brazilian law partnership) (collectively the "Mayer Brown Practices") and non-legal service providers, which provide consultancy services (the "Mayer Brown Consultancies"). The Mayer Brown Practices and Mayer Brown Consultancies are established in various jurisdictions and may be a legal person or a partnership. Details of the individual Mayer Brown Practices and Mayer Brown Consultancies can be found in the Legal Notices section of our website.
