

Brendan Coleman

Brendan Coleman is a Managing Director and the Global Head of Structured Trade for Citi's Trade & Working Capital Solutions business.

In this role, Brendan is responsible for managing a team of transactors across the globe tasked with originating and executing outsized and complex working capital finance transactions as well as developing innovative financing solutions for emerging sectors and client needs.

Brendan joined Citi in New York in 2007 as an analyst in Strategy & Planning and has held various positions across the Trade & Working Capital Solutions business since 2009.

Brendan earned both a master's and bachelor's degree in electrical & computer engineering from The Johns Hopkins University in Baltimore, Maryland.
