

A World of Growth and Opportunity

Cybersecurity & Data Privacy Internship

Mayer Brown is looking for a legal intern to work with its Cybersecurity & Data Privacy team in its Brussels office for a period of 6 months, starting as soon as possible.

If you are a team-player and passionate about privacy, this is an excellent opportunity to take on significant responsibility as part of a team with in-depth knowledge and experience in the area. You will be working on a whole range of cybersecurity & data privacy matters (incident preparation and response, certification schemes, cybersecurity & data privacy aspects of 5G and connected vehicles).

You will be part of a global practice of privacy experts around the globe. Mayer Brown's global Cybersecurity & Data Privacy addresses the full range of legal, business and reputational risks posed by cyber threats and data privacy obligations. Our lawyers throughout the Americas, Asia, Europe and the Middle East help clients prioritize and manage these risks in a coordinated and proactive manner across their enterprise. You can find more information on our areas of expertise [here](#) and our global practice [here](#):

The successful candidate will have a strong academic profile with a clear focus on European law in general and EU Data Privacy law in particular. Some experience in EU Data Privacy law is preferred. Fluency in English (both oral and in writing) is required, as well as in one or two other European languages.

Mayer Brown offers a competitive remuneration package, and a position in a highly dynamic and multinational environment.

Please send your CV and cover letter to Maria Galotchkina at mgalotchkina@mayerbrown.com by January 31, 2020.
