(n) all Liabilities relating to any Excluded Asset;

(o) all Liabilities with respect to any and all Seller Taxes to the extent not reflected in the determination of the Closing Cash Target;

(p) all Liabilities incurred by the Purchaser or any Acquired Subsidiary as a result of waiving the Seller’s compliance with any “bulk sale” Laws pursuant to Section 2.7;

(q) all Liabilities arising out of or relating to (i) the Agreement, entered into on or about October 29, 2003, by and between Parent and the Office of the Comptroller of the Currency (the “OCC”), (ii) the Capital Assurances and Liquidity Maintenance Agreement, dated as of November 4, 2003, by and between Neuberger Berman Trust Company, N.A., and Parent, and (iii) the Agreement, entered into on or about October 29, 2003, by and between Neuberger Berman Trust Company, N.A., and the OCC; and

(r) all Liabilities listed on Schedule 2.4(r).

2.5 Assumption, Assignment, Cure Amounts.

(a) No later than five (5) Business Days after delivery of the Designation Notice or the period expires to deliver such notice, the Purchaser shall have the right upon notice to Seller to designate any Related Contract as a Contract to be assumed and/or assigned (as applicable) pursuant to this Section 2.5 (such Contracts, the “Purchased Contracts”). In the event that a Debtor is a party to a Purchased Contract, Seller shall, or cause its Subsidiaries to, assume and assign such Purchased Contract to Purchaser (or its designee) pursuant to Section 365 of the Bankruptcy Code. In the event that a Debtor is not a party to a Purchased Contract, such Purchased Contract shall be assigned to the Purchaser (or its designee); provided, however, that Seller’s obligation to assign any Transferred Real Property Leases under this sentence is subject to Seller obtaining the Landlord Consents. Purchaser shall use commercially reasonable efforts to designate Related Contracts as Purchased Contracts before the Sale Hearing. Until a date that is five (5) days before Closing, the Purchaser shall have the right, upon notice to the Seller, to remove without penalty any Related Contract designated as a Purchased Contract (other than a Transferred Real Property Lease) from the list of Purchased Contracts, in which case such Related Contract shall become an Excluded Contract.

(b) On or prior to the Closing, the Seller shall assume and at the Closing assign to Purchaser (or its designee) those Transferred Real Property Leases to which a Debtor is a party pursuant to Section 365 of the Bankruptcy Code. With respect to those Transferred Real Property Leases to which a Seller but not a Debtor is a party, such Transferred Real Property Leases shall be assigned to the Purchaser (or its designee)
on the Closing Date; provided, however, that Seller’s obligation to assign such Transferred Real Property Leases under this sentence is subject to the Seller obtaining the Landlord Consents. The Seller (or, as applicable, the relevant Subsidiaries) and Purchaser will cooperate and use commercially reasonable efforts in obtaining the Landlord Consents and shall otherwise comply in all respects with the terms and provisions of the underlying lease in connection with the assignment; provided, however, that Seller shall not be obligated to incur any expenses in connection with obtaining such Landlord Consents.

(c) Seller shall be obligated to pay or cause to be paid any and all amounts accrued or otherwise owed prior to the Closing Date (collectively, the “Cure Amounts”) under any Purchased Contract, Subleased Real Property Lease or Transferred Real Property Lease. In the event of any dispute relating to any Cure Amount, Seller shall escrow such funds in a manner approved by the Bankruptcy Court for payment of Cure Amounts pending resolution of any dispute regarding such Cure Amount. The Seller is responsible for the verification of all Cure Amounts, including all administrative responsibilities associated therewith, in its Bankruptcy Case and otherwise and shall use reasonable best efforts to establish the proper Cure Amount, if any, for each Purchased Contract, Transferred Real Property Lease or Subleased Real Property Lease, including taking all reasonable actions with respect to the filing and prosecution of any pleadings and proceedings in the Bankruptcy Court and the service and delivery of any related notices or pleadings.

(d) The Purchaser or its designee shall be obligated to pay any amounts for services rendered, goods provided or benefits obtained from and after the Closing Date under each Purchased Contract, Transferred Real Property Lease or Sublease. Any amounts for services rendered, goods provided or benefits obtained under the Purchased Contract or a Transferred Real Property Lease or Subleased Real Property Lease during the period until the Closing Date shall be an Excluded Liability. Purchaser (or its designee) shall be required to provide adequate assurance of future performance with respect to such Purchased Contracts, Transferred Real Property Leases and Subleases and, notwithstanding anything to the contrary, neither Parent nor any Seller shall have liability for Purchaser’s failure to satisfy such requirements of the Bankruptcy Code.

2.6 Further Conveyances and Assumptions. Subject to the terms and conditions hereof:

(a) From time to time following the Closing, Seller shall, or shall cause its Subsidiaries to, make available to Purchaser such data in personnel records of Transferred Employees as is reasonably necessary for Purchaser and its Subsidiaries to transition such employees into Purchaser’s and its Subsidiaries’ records.

(b) From time to time following the Closing, without further consideration, Seller and Purchaser shall, and shall cause their respective Subsidiaries to, do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged or
delivered, all such further conveyances, deeds, assignments, notices, assumptions, releases, acquaintances, powers of attorney and assurances (including any notarization, authentication, legalization and consularization of the signatures of Seller’s and its Affiliates’ Representatives), and such other instruments, and shall take such further actions, as may be reasonably necessary or appropriate to assure fully to Purchaser and its Subsidiaries and their respective successors or assigns, all of the properties, rights, titles, interests, estates, remedies, powers and privileges intended to be conveyed to Purchaser or its Subsidiaries under this Agreement and the Ancillary Agreements, and to assure fully to Seller and its Subsidiaries and their successors and assigns, the assumption of the liabilities and obligations intended to be assumed by Purchaser or its Subsidiaries under this Agreement and the Ancillary Agreements, and to otherwise make effective the transactions contemplated hereby and thereby.

(c) If any third-party consent or agreement is required for the assignment of any Intellectual Property Licenses to Purchaser and such consent cannot be obtained, then, to the extent permitted by applicable Law and by Contract, Seller shall sublicense whatever rights they are permitted to sublicense under the respective Intellectual Property Licenses; provided such sublicense is at no cost to Seller. If Seller is permitted to assign or sublicense any Intellectual Property License to Purchaser only at a one time, fixed payment or an ongoing fee, Seller shall notify Purchaser thereof and, only if Purchaser or any of its Subsidiaries agrees in writing to be responsible to pay such payment or fee, as applicable, Seller shall assign or shall sublicense whatever rights it is permitted to assign or sublicense under the respective Intellectual Property Licenses, subject to the payment or fee being paid by Purchaser or any of its Subsidiaries.

(d) If, pursuant to the transactions carried out under this Agreement Purchaser does not acquire Intellectual Property Rights owned or controlled by the Seller that have been exploited in the Business in the ordinary course of its operations (“Residual Intellectual Property Rights”), then Seller shall and hereby does grant to Purchaser, the perpetual, irrevocable, fully paid up, royalty free, worldwide, non-exclusive right and license to exploit such Residual Intellectual Property Rights in connection with the Business and other asset management and investment advisory activities in the manner in which such Residual Intellectual Property Rights were exploited prior to the Closing Date. The license granted herein is assignable and sublicensable by Purchaser; provided that it may only be assigned or sublicensed to a Person who is engaged in (or owns or controls a Person who is engaged in) the Business, as conducted from time to time, or a portion thereof.

(e) If, pursuant to the transactions carried out under this Agreement Purchaser acquires Intellectual Property Rights used by Seller or any of its Subsidiaries outside of the scope of the Business in the ordinary course of Seller’s or any of its Subsidiaries’ operations (“Non-exclusive Intellectual Property Rights”), Purchaser shall and hereby does grant to Seller and its Subsidiaries, the perpetual, irrevocable, fully paid up, royalty free, worldwide, non-exclusive right and license to exploit such Non-exclusive Intellectual Property Rights outside the field of the Business in the manner in which such Non-exclusive Intellectual Property Rights were exploited prior to the
Closing Date. The license granted herein is assignable and sublicensable by Seller or any of its Subsidiaries, as applicable, in whole or in part; provided that it may only be assigned or sublicensed to a Person who is engaged in (or owns or controls a Person who is engaged in) those aspects of the business in which the relevant Non-exclusive Intellectual Property Rights were used prior to Closing Date, or a portion thereof.

2.7 Bulk Sales Laws. Purchaser hereby waives compliance by Seller and its Subsidiaries with the requirements and provisions of any “bulk-transfer” Laws of any jurisdiction that may otherwise be applicable with respect to the sale and transfer of any or all of the Purchased Assets to Purchaser.

2.8 Purchase Price. The aggregate purchase price for the Purchased Assets shall equal $2,150,000,000 (the “Base Purchase Price”), subject to adjustment as provided in Sections 2.9 and 2.11 (such sum, as so adjusted, the “Purchase Price”).

2.9 Payment of Purchase Price.

(a) On the Closing Date, the Purchaser (i) shall pay, or cause to be paid, to the Seller an amount equal to the Base Purchase Price less (A) the Estimated Closing Cash Shortfall (if the Estimated Closing Cash Target is greater than the Estimated Closing Cash) plus (B) the Estimated Closing Cash Excess (if Estimated Closing Cash is greater than the Estimated Closing Cash Target) less (C) the Estimated Aggregate Additional Adjustment less (D) the Holdback Amount.

(b) If (i) Estimated Closing Cash minus the Estimated Closing Cash Target exceeds (ii) Final Closing Cash minus the Final Closing Cash Target plus the Holdback Release Amount, then the Seller shall pay cash in the amount of such excess to the Purchaser or its designees by wire transfer of immediately available United States funds into an account to be designated by the Purchaser. If (i) Final Closing Cash minus the Final Closing Cash Target plus the Holdback Release Amount exceeds (ii) Estimated Closing Cash minus the Estimated Closing Cash Target, then the Purchaser shall pay, or cause to be paid, cash in the amount of such excess to the Seller or its designees by wire transfer of immediately available United States funds into an account to be designated by the Seller.

(c) Subject to Section 2.11(g), if the Final Aggregate Additional Adjustment exceeds the Estimated Aggregate Additional Adjustment, then the Seller shall pay cash in the amount of such excess to the Purchaser or its designees by wire transfer of immediately available United States funds into an account to be designated by the Purchaser. Subject to Section 2.11(g), if the Estimated Aggregate Additional Adjustment exceeds the Final Aggregate Additional Adjustment, then the Purchaser shall pay, or cause to be paid, cash in the amount of such excess to the Seller or its designees by wire transfer of immediately available United States funds into an account to be designated by the Seller.
(d) Subject to Section 2.11(g), if the Final Measurement Date NB Adjustment exceeds the sum of the Final True-Up Date NB Adjustment plus the Measurement Date Holdback Amount, then the Seller shall pay cash in the amount of such excess to the Purchaser or its designees by wire transfer of immediately available United States funds into an account to be designated by the Purchaser. Subject to Section 2.11(g), if the sum of the Final True-Up Date NB Adjustment plus the Measurement Date Holdback Amount exceeds the Final Measurement Date NB Adjustment, then the Purchaser shall pay, or cause to be paid, cash in the amount of such excess to the Seller or its designees by wire transfer of immediately available United States funds into an account to be designated by the Seller.

(e) All payments required to be made under Section 2.9(b) or Section 2.9(c) will be made within 10 days after the components of all such payments (other than the Holdback Release Amount) have been determined pursuant to Section 2.11 and may be set off against any amounts owed by the Seller to Purchaser under this Agreement (in the case of a payment by Purchaser) or by Purchaser to Seller under this Agreement (in the case of a payment by Seller). To the extent each of the Seller and the Purchaser would otherwise be entitled to a payment under Section 2.9(b) or Section 2.9(c), such payments shall be netted against each other. Any payment required to be made under Section 2.9(d) will be made within 10 days after the components of such payment (other than the Measurement Date Holdback Amount) have been determined pursuant to Section 2.11 and may be set off against any amounts owed by the Seller to Purchaser under this Agreement (in the case of a payment by Purchaser) or by Purchaser to Seller under this Agreement (in the case of a payment by Seller). If not paid by the date required under this Section 2.9(e), any payment required under this Section 2.9(e) shall bear interest from and including such date to but excluding the date of payment at a rate per annum equal to the rate of interest published from time to time by The Wall Street Journal, Eastern Edition, as the “prime rate” at JPMorgan Chase Bank. Such interest shall be payable at the same time as the payment to which it relates and shall be calculated daily on the basis of a year of 365 days and the actual number of days elapsed.

(f) The Purchaser shall make, or cause to be made, any payment it is required to make to the Seller pursuant to Section 2.9(a), Section 2.9(b), Section 2.9(c) or Section 2.9(d) (i) by wire transfer of immediately available United States funds into an account to be designated by the Seller, (ii) by an in-kind transfer to the Seller or its designees (which may be effected by book-entry transfer) of any auction rate securities acquired by the Purchaser or its designees that were held in the accounts of Clients at any time prior to the Closing, which securities will be valued at par plus accrued but unpaid interest or dividends, as the case may be, for purposes of this Section 2.9 or (iii) any combination of the foregoing.

2.10 Pre-Closing Base Purchase Price Adjustment.

(a) Not later than five (5) Business Days prior to the Closing Date, or in the case of clause (iii) below, immediately after the close of business on the day before the Closing Date, the Seller shall provide the Purchaser with its best estimates of the
following calculations and other items along with the evidence and other information that support those estimates:

(i) the Preliminary Closing Aggregate NB Revenue Run-Rate and the Estimated Closing NB Adjustment (if any);

(ii) the aggregate amount of Cash that will be held by the Acquired Subsidiaries or otherwise acquired by the Purchaser and its Subsidiaries as a Purchased Asset as of the Closing (“Estimated Closing Cash”), the Closing Cash Target (the “Estimated Closing Cash Target”), the components of the Closing Cash Target and the Estimated Closing Cash Shortfall or the Estimated Closing Cash Excess as the case may be;

(iii) the Closing S&P Adjustment (the “Estimated Closing S&P Adjustment”);

(iv) the Closing Other Liabilities Adjustment (the “Estimated Other Liabilities Adjustment”); and

(v) Actual EBITDA and the EBITDA Adjustment (the “Estimated EBITDA Adjustment”), which estimates will be based on the Audited Financial Statements, if they are then available, or the best financial information available to the Seller, if the Audited Financial Statements are not then available; provided, that at the election of Parent by written notice delivered to Purchaser no later than five (5) Business Days prior to the Closing Date, the Estimated EBITDA Adjustment will be $190,000,000.

(b) The parties shall cooperate in good faith to attempt to resolve prior to the Closing any disputes related to any calculation or other item that is the subject of any of the foregoing estimates or any evidence or other information related thereto.

2.11 Post-Closing True-Ups.

(a) No later than 45 days after the later of (i) the True-Up Date and (ii) the date the final Audited Financial Statements are delivered to the Purchaser, the Purchaser shall deliver to the Seller a schedule (the “Closing Schedule”) that sets forth its calculations of:

(i) the True-Up Date Aggregate NB Revenue Run-Rate and the True-Up Date NB Adjustment;

(ii) the actual aggregate amount of Cash held by the Acquired Subsidiaries or otherwise acquired by the Purchaser and its Subsidiaries as a Purchased Asset as of the Closing (“Closing Cash”), the Closing Cash Target and the components of Closing Cash and the Closing Cash Target;

(iii) the Closing S&P Adjustment;
(iv) the Closing Other Liabilities Adjustment; and
(v) Actual EBITDA and the EBITDA Adjustment.

(b) If the Seller disagrees with the Purchaser’s calculations of the True-Up Date NB Adjustment, Closing Cash or the Closing Cash Target, Closing S&P Adjustment, Closing Other Liabilities Adjustment or EBITDA Adjustment or any other calculation on the Closing Schedule delivered pursuant to Section 2.11(a) (each of the foregoing, a “Closing Schedule Calculation”), the Seller may, within 30 days after delivery of the documents referred to in Section 2.11(a) related to such calculation, deliver a notice to the Purchaser disagreeing with such calculation and setting forth the Seller’s calculation of any such amount. Any such notice of disagreement shall specify those items or amounts as to which the Seller disagrees, and the Seller shall be deemed to have agreed with all other items and amounts contained in the Closing Schedule Calculations or otherwise reflected in the Closing Schedule.

(c) No later than 45 days after the later of (i) the Measurement Date and (ii) the date the final Audited Financial Statements are delivered to the Purchaser, the Purchaser shall deliver to the Seller a schedule (the “Measurement Date Schedule”) that sets forth its calculations of the Measurement Date Aggregate NB Revenue Rate and the Measurement Date NB Adjustment. If the Seller disagrees with the Purchaser’s calculations of the Measurement Date NB Adjustment or any other calculation on the Measurement Date Schedule delivered pursuant to this Section 2.11(c) (each of the foregoing, a “Measurement Date Schedule Calculation”), the Seller may, within 30 days after delivery of the documents referred to in this Section 2.11(c) related to such calculation, deliver a notice to the Purchaser disagreeing with such calculation and setting forth the Seller’s calculation of such amount. Any such notice of disagreement shall specify those items or amounts as to which the Seller disagrees, and the Seller shall be deemed to have agreed with all other items and amounts contained in the Measurement Date Schedule Calculations or otherwise reflected in the Measurement Date Schedule.

Notwithstanding the foregoing provisions of this Section 2.11(c), if the Final True-Up Date NB Adjustment has not been determined as contemplated by Section 2.11(e) at the time the Purchaser would otherwise be required to deliver the Measurement Date Schedule, then the Purchaser will be entitled to defer delivery of the Measurement Date Schedule and its calculations of the Measurement Date Aggregate NB Revenue Rate and the Measurement Date NB Adjustment until ten business days after the amount of the Final True-Up Date NB Adjustment has been determined as contemplated by Section 2.11(e).

(d) If a notice of disagreement shall be duly delivered pursuant to Section 2.11(b) or Section 2.11(c), the Purchaser and the Seller shall, during the 20 days following each such delivery, use their reasonable best efforts to reach agreement on the disputed items or amounts in order to determine any disputed calculations included in such delivery. If, during either such period, the Purchaser and the Seller are unable to reach such agreement, they shall promptly thereafter cause a local office of an
independent accounting firm of nationally recognized standing reasonably satisfactory to
the Purchaser and the Seller (which local office shall not have any material relationship
with the Purchaser or the Seller or any of their respective Affiliates) (the “Referee”),
promptly to review this Agreement and the disputed items or amounts for the purpose of
calculating any disputed Closing Schedule Calculations or Measurement Date Schedule
Calculations. In making such calculations, the Referee shall consider only those items or
amounts in the Closing Schedule or Measurement Date Schedule or in the Purchaser’s
calculations of the Closing Schedule Calculations or Measurement Date Schedule
Calculations as to which the Seller has disagreed. The Referee shall deliver to the
Purchaser and the Seller, as promptly as practicable, a report setting forth such
calculations of any disputed Closing Schedule Calculations or Measurement Date
Schedule Calculations. Such report shall be final and binding upon the Purchaser and the
Seller. The cost of such review and report shall be allocated between the Seller and the
Purchaser in the same proportion that the aggregate amount of the items unsuccessfully
disputed by each (as finally determined by the Referee) bears to the total amount of the
disputed items.

(e) For purposes of this Agreement, “Final Closing Cash” or “Final
Closing Cash Target” or any of the “Final True-Up Date NB Adjustment”, “Final Closing
S&P Adjustment”, “Final EBITDA Adjustment”, “Final Other Liabilities Adjustment”
or “Final Measurement Date NB Adjustment” means, respectively, the amount of Closing
Cash or the Closing Cash Target or the amount of the True-Up Date NB Adjustment,
Closing S&P Adjustment, EBITDA Adjustment, Closing Other Liabilities Adjustment or
Measurement Date NB Adjustment, as the case may be, (i) as shown in the Purchaser’s
calculation delivered pursuant to Section 2.11(a) or Section 2.11(c), as the case may be, if
no notice of disagreement with respect thereto is duly delivered pursuant to Section
2.11(b) or Section 2.11(c), as the case may be; or (ii) if such a notice of disagreement is
delivered, (A) as agreed by the Purchaser and the Seller pursuant to Section 2.11(d) or
(B) in the absence of such agreement, as shown in the Referee’s report delivered pursuant
to Section 2.11(d); provided that in no event (x) shall the Final Closing Cash Target,
Final True-Up Date NB Adjustment, Final Closing S&P Adjustment, Final EBITDA
Adjustment, Final Other Liabilities Adjustment or Final Measurement Date NB
Adjustment be more than the Purchaser’s calculation thereof delivered pursuant to
Section 2.11(a) or Section 2.11(c), as the case may be, or less than the Seller’s calculation
of thereof delivered pursuant to Section 2.11(b) or Section 2.11(c), as the case may be, or
(y) shall Final Closing Cash be less than the Purchaser’s calculation thereof delivered
pursuant to Section 2.11(a) or more than the Seller’s calculation of thereof delivered
pursuant to Section 2.11(b).

(f) The Purchaser and the Seller agree that they will cooperate and
assist in the preparation of the Closing Schedule, the Closing Schedule Calculations and
in the conduct of the audits and reviews referred to in this Section 2.11, including the
making available to the extent necessary of books, records, work papers and personnel.

(g) Notwithstanding anything to the contrary in this Agreement, if
Parent validly elected in accordance with this Agreement to cause the Estimated
Aggregate Additional Adjustment to equal $850,000,000, then (i) none of the True-Up Date NB Adjustment, Closing S&P Adjustment, Closing Other Liabilities Adjustment (except as set forth in clause (ii) below), EBITDA Adjustment or Measurement Date NB Adjustment will be eligible to be included on the Closing Schedule or Measurement Date Schedule (the latter of which shall not be delivered) or the subject of a post-Closing adjustment to the Base Purchase Price under Section 2.9(c) or Section 2.9(d) or any review or dispute of such adjustments under this Section 2.11, and (ii) the provisions of this Section 2.11 will apply only to Closing Cash, the Closing Cash Target and the components of Closing Cash and the Closing Cash Target (including, only for purposes of clause (d) of the definition of “Closing Cash Target”, the Closing Other Liabilities Adjustment).

ARTICLE III
CLOSING AND TERMINATION

3.1 Closing Date. The closing of the sale and purchase of the Purchased Assets provided for in Section 2.1 (the “Closing”) shall take place at the offices of Weil, Gotshal & Manges LLP located at 767 Fifth Avenue, New York, New York 10153 at 10:00 a.m. (New York City time) on the third Business Day after the satisfaction or waiver of the conditions set forth in Article VIII (other than conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of those conditions at such time), unless another time, date or place is agreed to in writing by the parties hereto. It is agreed by the parties hereto that the delivery of the Audited Financial Statements is not a condition to the Closing. The date on which the Closing is held is referred to herein as the “Closing Date”.

3.2 Certain Closing Deliveries. At the Closing:

(a) Each of the Purchaser and the Seller shall deliver, or shall cause to be delivered, to the other party, each Ancillary Agreement to which it or any of its Affiliates is a party, duly executed.

(b) The Seller shall deliver to the Purchaser and/or its designated Subsidiaries the following items, each in form and substance reasonably satisfactory to the Purchaser:

   (i) a duly executed, reasonably customary bill of sale;

   (ii) duly executed, reasonably customary assignment and assumption agreements (subject to the limitations set forth in Section 2.5(b) and the receipt of the applicable Landlord Consents and including a separate assignment and assumption agreement for each Transferred Real Property Lease) and duly executed assignments of the U.S. and Canadian trademark registrations and applications included in the Purchased Intellectual Property, in a form suitable for recording in the U.S. and
Canadian trademark office, and general assignments of all other Purchased Intellectual Property;

(iii) as applicable, a certificate from each entity selling assets pursuant to this Agreement, duly executed by such entity, that such entity is not a “foreign person” within the meaning of Section 1445 of the Code;

(iv) duly executed Subleases with respect to the Subleased Real Property Leases, subject to Section 7.19(b) and Section 7.19(c) and the receipt of the applicable Landlord Consents; and

(v) all other instruments of conveyance and transfer, in form and substance reasonably acceptable to Purchaser, as may be necessary to convey the Purchased Assets to Purchaser and its Subsidiaries or as Purchaser may reasonably request.

(c) The Purchaser shall deliver to the Seller, each in form and substance reasonably satisfactory to the Seller:

(i) a duly executed, reasonably customary assignment and assumption agreement, subject to the limitations set forth in Section 2.5(b) and, to the extent necessary, the receipt of the applicable Landlord Consents and including a separate assignment and assumption agreement for each Transferred Real Property Lease); and

(ii) duly executed Subleases with respect to the Subleased Real Property Leases, subject to Section 7.19(b) and Section 7.19(c) and the receipt of the applicable Landlord Consents.

3.3 Termination of Agreement. This Agreement may be terminated prior to the Closing as follows:

(a) by mutual written consent of the Purchaser and the Seller;

(b) by the Purchaser or the Seller in the event that the Closing has not been consummated on or prior to June 30, 2009 (such date, the “Termination Date”); provided, however, that the right to terminate this Agreement under this Section 3.3(b) shall not be available to a party if the failure of the Closing to be consummated on or before the Termination Date is primarily due to the failure of such party to perform any of its obligations under this Agreement;

(c) by the Purchaser or the Seller upon a final non-appealable determination by a Governmental Body of competent jurisdiction denying an approval that is necessary for the consummation of the transactions contemplated hereby; provided, however, that the right to terminate this Agreement under this Section 3.3(c) shall not be available to a party if such denial is primarily due to the failure of such party to perform any of its obligations under this Agreement;
(d) by the Purchaser in the event (i) none of the representations and warranties of the Purchaser shall have become and continue to be untrue in a manner that would cause the condition set forth in Section 8.2(a) not to be satisfied and there has been no failure by the Purchaser to perform its covenants in such a manner as would cause the condition set forth in Section 8.2(b) not to be satisfied, and (ii) there shall have been a breach of the Seller’s representations and warranties in this Agreement or a failure by the Seller or any member of the Company Group to perform their respective covenants in this Agreement, in any such case in a manner that the conditions to the Closing set forth in Section 8.1(a) or Section 8.1(b) would not be satisfied if such breach or failure occurred or was continuing as of the date on which the Closing was to occur; provided, however, that the Purchaser shall provide notice to the Seller as soon as practicable after becoming aware of any such breach described in clause (ii) above; and provided further that if such breach is curable by the Seller through the exercise of its commercially reasonable efforts then, so long as the Seller continues to exercise such commercially reasonable efforts, the Purchaser may not terminate this Agreement under this Section 3.3(d) prior to the earlier of (A) the Termination Date and (B) the 30th day following the date the Seller receives notice of such breach from the Purchaser and only if such breach or failure by Seller remains uncured on such date;

(e) by the Seller in the event (i) none of the representations and warranties of the Seller shall have become and continue to be untrue in a manner that would cause the condition set forth in Section 8.1(a) not to be satisfied and there has been no failure by the Seller or any Company to perform its covenants in such a manner as would cause the condition set forth in Section 8.1(b) not to be satisfied, and (ii) there shall have been a breach of the Purchaser’s representations and warranties in this Agreement or a failure by the Purchaser to perform its covenants in this Agreement, in any such case in a manner that the conditions to the Closing set forth in Section 8.2(a) or Section 8.2(b) would not be satisfied if such breach or failure occurred or was continuing as of the date on which the Closing was to occur; provided, however, that the Seller shall provide notice to the Purchaser as soon as practicable after becoming aware of any such breach described in clause (ii) above; and provided further that if such breach is curable by the Purchaser through the exercise of its commercially reasonable efforts then, so long as the Purchaser continues to exercise such commercially reasonable efforts, the Seller may not terminate this Agreement under this Section 3.3(e) prior to the earlier of (A) the Termination Date and (B) the 30th day following the date the Purchaser receives notice of such breach from the Seller and only if such breach or failure by the Purchaser remains uncured on such date;

(f) by the Purchaser, upon notice to Parent, if at the Auction, the Purchaser is not selected as the Successful Bidder (as defined in the Bid Procedures Order);

(g) by Purchaser, upon notice to Parent, if (i) the Bid Procedures Order, in form and substance reasonably satisfactory to the Purchaser, is not entered before the later of (A) ten (10) days after the date of the filing of the Sale Motion and (B) the first available date on the Bankruptcy Court’s calendar that is at least ten (10) days
after the filing of the Sale Motion, or if after such entry, such Bid Procedures Order is stayed, reversed, amended or vacated or modified without Purchaser’s prior written consent and such Bid Procedures Order ceases to be reinstated after a period of five (5) Business Days during which Purchaser will work in good faith with the Debtors in an attempt to have such Bid Procedures Order entered in a manner reasonably acceptable to Purchaser and the Debtors or (ii) the Sale Order, in form and substance reasonably satisfactory to Purchaser, has not been entered in the Bankruptcy Case of Parent and each entity designated in the Designation Notice prior to the sixty-third (63rd) day after entry of the Bid Procedures Order, or the first available date on the Bankruptcy Court’s calendar that is at least sixty-three (63) days after entry of the Bid Procedures Order, or if after such entry, such Sale Order is stayed, reversed, amended, vacated or modified without Purchaser’s prior written consent and such Sale Order ceases to be reinstated after a period of ten (10) Business Days during which Purchaser will work in good faith with the Debtors in an attempt to have such Sale Order reinstated in a manner reasonably acceptable to Purchaser and the Debtors, (iii) any Bankruptcy Case that relates to any Purchased Asset is involuntarily converted to a case under Chapter 7 of the Bankruptcy Code, a trustee or examiner is appointed in any such Bankruptcy Case, any such Bankruptcy Case is dismissed or (iv) Parent, Seller or any Affiliate of Parent breaches Section 7.20(a), Section 7.25(f) or Section 7.25(g);

(h) by the Seller, upon notice to the Purchaser, if the Purchaser is not the Successful Bidder at the Auction or a sale order has been entered with respect to a Competing Transaction; or

(i) by Purchaser, upon notice to the Sellers, if Parent has made an election that would cause a condition set forth in either Sections 8.1(k) or 8.1(l) not to be satisfied.

3.4 Procedure Upon Termination. In the event of termination by the Purchaser or the Seller, or both, pursuant to Section 3.3, written notice thereof shall forthwith be given by the terminating party to the Purchaser or Parent, as applicable, and this Agreement shall terminate, and the purchase of the Purchased Assets hereunder shall be abandoned, without further action by the Purchaser or the Parent.

3.5 Effect of Termination.

(a) In the event that this Agreement is validly terminated in accordance with Sections 3.3 and 3.4, then each of the parties shall be relieved of its duties and obligations arising under this Agreement after the date of such termination and such termination shall be without liability to the Purchaser, the Seller or their respective Affiliates; provided, however, that the obligations of the parties set forth in the Confidentiality Agreements, in this Section 3.5, and in Article X shall survive any such termination and shall be enforceable hereunder.

(b) In the event of termination of this Agreement
(i) (A) by Purchaser or Seller pursuant to Section 3.3(b), or by Purchaser pursuant to Section 3.3(i), Seller shall cause to be paid to Purchaser the Reimbursement Amount by wire transfer of immediately available funds to an account designated by the Purchaser as promptly as possible (but in any event within two (2) Business Days) following such termination and (B) if prior to such termination, a proposal or offer is made in respect of a Competing Transaction, which offer or proposal has not been withdrawn and within twelve (12) months following such termination, Seller enters into a definitive agreement with respect to a Competing Transaction or a Competing Transaction is consummated, Seller shall cause to be paid to Purchaser the Seller Termination Fee by wire transfer of immediately available funds to an account designated by the Purchaser as promptly as possible (but in any event within two (2) Business Days) following such consummation;

(ii) Contracts between the Seller or any of its Affiliates (other than members of the Company Group), on the one hand, and any member of the Company Group, on the other, in each case that will remain in effect following the Closing Date;

(iii) any bonus or any other incentive compensation, deferred compensation, severance, salary continuation, pension, profit sharing or retirement Contract or plan, or any other employee benefit plan or arrangement relating to persons employed by the Seller or any of its Affiliates in connection

(c) Each contract under which any member of the Company Group serves as an investment adviser or sub-adviser (each an “Advisory Contract”) is valid and effective in accordance with its respective terms, and there is not, under any such Advisory Contract, an existing material breach or event which, with the giving of notice or the lapse of time or both, would become such a breach. As of the Base Date, (i) the Total Base Aggregate NB Revenue Run-Rate was $898,000,000, as indicated on Schedule 1.1(b), and (ii) the Base Aggregate Fixed Income Revenue Run-Rate was $129,000,000, as indicated on Schedule 1.1(a).

4.14 Employee Benefits Plans.

(a) Schedule 4.14(a) lists each material “employee benefit plan” (as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”)), each material bonus, incentive compensation, equity-based
incentive, deferred compensation, retirement, fringe benefit or other employee benefit plan or agreement sponsored and maintained by (i) any member of the Company Group with respect to any current or former employees, consultants, independent contractors, or directors of any member of the Company Group or (ii) any Seller or any Subsidiary of any Seller with respect to any persons employed by the Seller or any of its Subsidiaries primarily in connection with the Business, and each other employee benefit or compensation plan, program, or arrangement pursuant to which the Seller or any Subsidiary of Seller has (as of the Execution Date) or reasonably expects the Purchaser will have (as a result of the transactions contemplated by this Agreement) any liability (each, a “Company Benefit Plan”); provided that the Seller shall not be required to list on Schedule 4.14(a) any Company Benefit Plan disclosed in Parent’s reports and other documents filed with the SEC prior to September 19, 2008. Except as disclosed in Parent’s reports and other documents filed with the SEC prior to September 19, 2008, the Seller has made available to the Purchaser correct and complete copies of each Company Benefit Plan (or, in the case of any such Company Benefit Plan that is unwritten, a description of all material terms thereof). Each Company Benefit Plan has been maintained in compliance with its terms and the applicable provisions of ERISA, the Code and all other applicable Laws except for any non-compliance that would not have a Material Adverse Effect. Neither the Seller (with respect to the Business) nor any member of the Company Group has incurred any liability under Section 502 of ERISA or any excise tax under Chapter 43 of the Code, nor does any circumstance exist that could reasonably be expected to result in any such liability or excise tax that would have a Material Adverse Effect.

(b) As of September 15, 2008, each contribution, premium and payment required (whether by applicable Law or under applicable plan terms) or expected to be made under or in respect of the Company Benefit Plans has been timely made, or, in the case of any such contribution, premium or payment that is not yet due, has been properly accrued and reflected (or an adequate reserve in respect thereof has been established) in the financial statements of the Company Group except as would not reasonably be expected to result in a Material Adverse Effect.

(c) Except as would not reasonably be expected to result in a Material Adverse Effect, each Company Benefit Plan that is intended to be qualified under Section 401(a) of the Code has received a favorable determination letter from the IRS, and, to the Knowledge of the Company, no circumstances exist that could be reasonably expected to adversely affect the qualified status of any such Company Benefit Plan.

(d) Except as set forth on Schedule 4.14(d), no member of the Company Group, and no other entity that is or at any relevant time would have been treated as a single employer with any member of the Company Group under Section 414(b), (c), (m), or (n) of the Code or Section 4001(b) of ERISA (an “ERISA Affiliate”), contributes to or has any obligation to contribute to any multiemployer plan as defined in Section 3(37) of ERISA, nor is any Company Benefit Plan subject to Section 302 or Title IV of ERISA or Section 412 of the Code. Except as would not reasonably be expected to result in a material liability, no member of the Company Group
and no other ERISA Affiliate has incurred any liability under Title IV or Section 302 of ERISA that has not been satisfied in full, and no condition or circumstance exists or is contemplated, including without limitation the transactions contemplated hereby, that presents a material risk to any member of the Company Group or any ERISA Affiliate of incurring any such liability, other than liability for premiums due the PBGC (which premiums have been paid when due). If any Company Benefit Plan were to terminate, there would be no amount of unfunded benefit liabilities (as defined in Section 4001(a)(17) of ERISA) with respect to such Company Benefit Plan that would result in a Material Adverse Effect.

(e) To the Knowledge of the Company and except as set forth in Schedule 4.14(e), (i) the PBGC has not initiated any proceeding, or asserted any rights, under Section 4041 or 4042 of ERISA and (ii) neither Seller nor any member of the Company Group has received an inquiry, whether written or oral, from the PBGC, under its so-called “Early Warning Program” or otherwise, regarding the funded status of any pension plan of the Seller or any member of the Company Group. As of the Execution Date, no notice or action has been taken to terminate the Lehman Brothers Holdings Inc. Retirement Plan.

(f) Except as set forth on Schedule 4.14(f), the consummation of the transactions contemplated by this Agreement will not (either alone or together with any other event) entitle any person employed by the Seller or any of its Subsidiaries primarily in connection with the Business to any bonus, severance, retirement, job security or other benefit, or accelerate the time of payment or vesting or trigger any payment of funding (through a grantor trust or otherwise) of compensation or benefits under, or increase the amount payable or trigger any other obligation pursuant to, any Company Benefit Plan.

(g) Except as set forth on Schedule 4.14(g), there are no pending or, to the Knowledge of the Company, threatened claims (other than claims for benefits in the ordinary course), audits, investigations by any Governmental Bodies or otherwise or Legal Proceedings with respect to any Company Benefit Plan that would result in a Material Adverse Effect.

(h) Without limiting the generality of (a) through (g) above and except as would not reasonably be expected to result in a Material Adverse Effect or as set forth on Schedule 4.14(h), with respect to each Company Benefit Plan (1) that is subject to the laws of a jurisdiction other than the United States (whether or not United States law also applies) (a “Foreign Plan”) and (2) for which the Purchaser or any of its Subsidiaries may have liability by operation of law or otherwise: (i) to the extent required by applicable Law or the terms of such Foreign Plans, the fair market value of the assets of each funded Foreign Plan, the liability of each insurer for any Foreign Plan funded through insurance or the book reserve established for any Foreign Plan, together with any accrued contributions, is sufficient in all material respects to provide for the accrued benefit obligations with respect to all current and former participants in such plan, based upon reasonable actuarial assumptions, and no transaction contemplated by this Agreement shall cause such assets, reserve or insurance obligations to be materially less than such
benefit obligations, and (ii) each Foreign Plan required to be registered has been registered and has been maintained in good standing with applicable regulatory authorities.

(ix) adopt a plan or agreement of complete or partial liquidation or dissolution;

(x) incur any indebtedness for borrowed money having an outstanding principal amount in excess of $5,000,000 (excluding intercompany transactions with Affiliates that will be settled at or prior to the Closing);

(xi) make any new, or change or revoke any existing, material election with respect to Taxes; file an amended Tax Return or enter into any closing agreement with respect to, or settle, any Tax liability that would adversely affect the Purchaser, any Purchaser Subsidiary to which the Purchaser has assigned the right to purchase the assets of a member of the Company Group pursuant to Section 10.5 or any Acquired Subsidiary after the Closing; consent to any extension (except in the ordinary course of business) or waiver of the limitations period applicable to any Tax claim or assessment with respect to any Taxes of any member of the Company Group; change any Tax accounting method or taxable period of any member of the Company Group; provided, however, nothing in this clause (xi) shall prohibit or restrict the Seller or any of its Affiliates from making any election, entering into any closing agreement, settling any Tax liability, consenting to any extension or waiver of limitations period, filing or amending any Tax Return or changing any Tax accounting method or tax period with respect to any consolidated, combined or unitary group of which the Seller or any of its Affiliates is or was a member, except to the extent that such action would increase the Tax liability of the Purchaser or any of its Subsidiaries (including,
after the Closing, any Acquired Subsidiary) for any period ending after the Closing Date;

(xii) enter into any Contract not to compete in any line of business or geographic area that could bind the Purchaser or any of its Affiliates after the Closing;

(xiii) enter into any Advisory Contract except in the ordinary course of business consistent with past practice, or amend, terminate or provide or grant any waiver under any Material Contract or Advisory Contract;

(xiv) agree to reduce, waive, cap or subject to rebate the compensation paid by any Client other than in the ordinary course of business consistent with past practice and which reductions, waivers, caps and rebates will be reflected in the applicable revenue run rate calculations for purposes of Article II;

(xv) enter into any agreement or transaction with an Affiliate that is not a member of the Company Group other than as permitted by Schedule 7.2(xv);

(xvi) accelerate or permit to be accelerated the collection of management fees or any other receivable related to the Business;

(xvii) delay or permit to be delayed the payment of any payables by the Business;

(xviii) fail to make any filing, pay any fee, or take any other action necessary to maintain the ownership, validity and enforceability of any material Intellectual Property Rights related to the Business;

(xix) make any change in accounting methods, principles or practices except as required by GAAP; or

(xx) agree to do anything prohibited by this Section 7.2.

7.3 Preservation of Back Office Support. Seller will use all commercially reasonable efforts to preserve prior to the Closing the functionality of its and its Affiliates back offices and the availability of its personnel and systems that have historically provided services to the Business.

7.4 Consents.

(a) Seller shall use, and shall cause its Subsidiaries to use, commercially reasonable efforts, and the Purchaser shall cooperate with the Seller, to obtain at the earliest practicable date all consents (other than with respect to brokerage and investment advisory agreements, the subject matter of which is covered in Sections 7.12, 7.13 and 7.14) and approvals required to consummate the transactions contemplated by this Agreement; provided, however, that no party shall be obligated to
pay any consideration (or grant any financial accommodation) to any third party from whom consent or approval is requested.

(b) The Seller shall use, and shall cause its Subsidiaries to use, commercially reasonable efforts to obtain, at the earliest practicable date, the requisite investor approval of such amendments to the fund documents of any Fund as the Purchaser may propose (“Fund Amendments”). The Purchaser may designate as “Excluded Assets” any assets or capital stock of any entity serving as the general partner or managing member of, or the management company or investment advisor to, any Fund whose investors do not approve Fund Amendments by the Closing or may elect to delay the purchase and sale of any such assets or capital stock until such time as such Fund Amendments are approved; provided, however, that no such action may be undertaken if such action would delay the Closing.

7.5 Regulatory Approvals. Subject to all of the terms and conditions hereof:

(a) Each of the parties hereto shall cooperate with the other parties and use their respective commercially reasonable efforts to promptly (i) take, or cause to be taken, all actions, and do, or cause to be done, all things necessary, proper or advisable to cause the other party’s conditions to Closing to be satisfied as promptly as practicable and to consummate the Closing in the most expeditious manner practicable, and (ii) obtain all approvals, consents, registrations, permits, authorizations and other confirmations from any Governmental Body or third party necessary, proper or advisable to consummate the transactions contemplated by this Agreement. In furtherance and not in limitation of the foregoing, each party hereto agrees to cooperate to make the appropriate application to FINRA and each party hereto agrees to make an appropriate filing of a Notification and Report Form pursuant to the HSR Act with respect to the transactions contemplated by this Agreement as promptly as practicable and in any event within ten (10) Business Days of the Execution Date and to supply as promptly as practicable any additional information and documentary material that may be requested pursuant to the HSR Act and use its commercially reasonable efforts to take, or cause to be taken, all other actions consistent with this Section 7.5 necessary to cause the expiration or termination of the applicable waiting periods under the HSR Act (including any extensions thereof) as soon as practicable (including by requesting early termination of the waiting period under the HSR Act).

(b) Each of the parties hereto shall use its commercially reasonable efforts to (i) cooperate in all respects with each other in connection with any filing or submission with a Governmental Body in connection with the transactions contemplated by this Agreement and in connection with any investigation or other inquiry by or before a Governmental Body relating to the transactions contemplated by this Agreement, including any such proceeding initiated by a private party, and (ii) keep the other party reasonably informed in all material respects and on a reasonably timely basis of any material communication received by such party from, or given by such party to, the FTC, the Antitrust Division of the Department of Justice, FINRA, the SEC or any other
Governmental Body, in each case regarding any of the transactions contemplated by this Agreement.

7.6 Further Assurances; Etc.

(a) Subject to all of the terms and conditions hereof, each of the parties shall use its commercially reasonable efforts to (i) take all actions, both prior to and after the Closing, necessary or appropriate to consummate and implement the transactions contemplated by this Agreement and (ii) cause the fulfillment at the earliest practicable date of all of the conditions to the other party’s obligations to consummate the transactions contemplated by this Agreement. Without limiting the generality of the foregoing, from the Execution Date until the Closing, the Seller shall not, and shall cause its Affiliates not to, assign or otherwise transfer from the Business to any Person any asset, right, property or interest of a type treated or expected to be treated as a Purchased Asset under this Agreement, or assign or otherwise transfer to the Business any Liability of a type treated or expected to be treated as an Excluded Liability under this Agreement. Parent will take all actions, necessary and desirable, to the extent reasonably within its power and control to cause any of its Subsidiaries, which is the owner of any of the Purchased Assets that has otherwise not executed and delivered this Agreement, to execute and deliver to Purchaser a joinder to this Agreement.

(b) Without limiting the foregoing, on and after the Closing Date, each party shall cooperate with the other party, without any further consideration, to cause to be executed and delivered, all instruments, including instruments of conveyance, assignment and transfer, and to make all filings with, and to obtain all consents, under any permit, license, agreement, indenture or other instrument, and to take all such other actions as either party may request to take by any other party from time to time, consistent with the terms of this Agreement, in order to effectuate the provisions and purposes of this Agreement and the Ancillary Agreements and, to the extent necessary, (i) the transfer to the Purchaser or any Subsidiary of the Purchaser of any asset used primarily in connection with the conduct of the Business, or that is otherwise necessary to cause the representation of Seller in Section 4.18 to be true and correct and (ii) the transfer of any Excluded Asset from the Purchaser or any Subsidiary of the Purchaser to any Seller and the assumption by the Seller of any Excluded Liability; provided that neither party shall be obligated to make any payment, incur any obligation or grant any concession to any Governmental Body in connection therewith, other than the payment of ordinary and customary fees.

(c) In the event that at any time and from time to time (whether prior to, at or after the Closing), Seller or any of its Affiliates shall receive or otherwise possess any Purchased Asset or any asset that is the property of the Purchaser or any of its Subsidiaries, Seller shall or shall cause such Affiliate to promptly transfer such asset in the form received to the Purchaser or any Subsidiary of the Purchaser.

(d) In the event that at any time and from time to time (whether prior to, at or after the Closing), the Purchaser or any Subsidiary of the Purchaser shall receive
or otherwise possess any Excluded Asset, Purchaser shall cause such member of the Company Group to promptly transfer such Excluded Asset in the form received to Seller.

(e) As soon as practicable, and in any event prior to the Closing, Purchaser may request Seller to consider establishing and if so requested Seller shall use commercially reasonable efforts to establish a new limited liability company formed and licensed and registered as a broker dealer and investment adviser with the SEC, FINRA, other Self-Regulatory Organizations, Government Bodies, and U.S. states and territories and subsequently having the accounts of any existing broker dealer/investment adviser conducting the Business transferred to such new entity.

(f) Seller shall use commercially reasonable efforts to deliver the Audited Financial Statements to Purchaser as promptly as practicable following the Execution Date, and in any event prior to February 28, 2009.

7.7 Preservation of Records. The Seller and the Purchaser agree that each of them shall preserve and keep the business records held by them relating to the Business for a period of seven years (or such longer period as may be required under applicable Law) from the Closing Date and shall make such business records available to the other as may be reasonably required by such party in connection with, among other things, any insurance claims by, Legal Proceedings or tax audits against or governmental investigations of the Seller or the Purchaser or any of their respective Affiliates to the extent required to enable the Seller or the Purchaser to comply with their respective obligations under this Agreement and each other agreement, document or instrument contemplated hereby or thereby; provided, however, that the Seller may deliver such business records to the Purchaser if the Seller winds down its affairs prior to the end of such seven year period.

7.8 Publicity. Neither the Seller nor the Purchaser shall issue, or permit any of its respective Affiliates to issue, any press release or public announcement concerning this Agreement or the transactions contemplated hereby without obtaining the prior written approval of the other party hereto, which approval will not be unreasonably withheld or delayed, unless, in the sole judgment of the Seller or the Purchaser, as applicable, disclosure is otherwise required by applicable Law or by the applicable rules of any stock exchange on which the Parent, Seller or the Purchaser lists securities.

7.9 Employee Benefits.

(a) Effective as of the Execution Date, Purchaser shall be entitled to offer, or to cause one of its Subsidiaries to offer, to employ each Offeree with the Purchaser or any of its Subsidiaries. For purposes of this Agreement, the term “Offeree” means each active employee of Seller or any Subsidiary of Seller (other than an employee of an Acquired Subsidiary but including an employee of any member of the Company Group that becomes one of the entities comprised by the Seller pursuant to Section 7.23), who has been employed primarily in connection with the Business as of the Execution Date. Each Offeree to whom Purchaser or one of its Subsidiaries has extended such an
offer and who accepts Purchaser’s, or one of its Subsidiary’s, offer of employment, together with each person who is employed at Closing by an Acquired Subsidiary or whose employment transfers to Purchaser or a Subsidiary of Purchaser automatically by operation of law, shall be referred to herein as a “Transferred Employee”. An Offeree who reports for work and performs work for the entity (Purchaser or its Subsidiary, as applicable) that offered such Offeree employment pursuant to the first sentence of this Section 7.9(a) on the first Business Day immediately following the Closing on which such Offeree is scheduled to work shall be deemed for all purposes of this Agreement to have accepted such entity’s (Purchaser’s or its Subsidiary’s, as applicable) offer of employment and shall be deemed to be a Transferred Employee. Each Person who is not a Transferred Employee shall be referred to herein as an “Excluded Employee”. Under the employee benefit plans, policies and arrangements established by Purchaser or its Subsidiaries after the Closing (the “Company Plans”) covering any Transferred Employee, each Transferred Employee shall be credited with his or her period of service with the Seller or the applicable member of the Company Group and their respective predecessors before the Closing Date, for purposes of eligibility and vesting (other than with respect to new equity plans or awards) and not for benefit accrual purposes, to the extent credited under any similar type of employee benefit plan, policy or arrangement applicable to such Transferred Employee immediately prior to the Closing Date; provided that the foregoing shall not apply to the extent that its application would result in a duplication of benefits with respect to the same period of service. The Purchaser shall cause its Subsidiaries to provide uninterrupted medical benefits coverage of Transferred Employees and their eligible spouses and dependents from and after the Closing under one or more Company Plans, and such Company Plans shall not deny the Transferred Employees coverage on the basis of pre-existing conditions (except to the extent such a denial of coverage was in effect under a comparable plan applicable to such Transferred Employee immediately prior to the Closing Date) and shall credit the Transferred Employees for any deductibles and out-of-pocket expenses paid in the year of initial participation in the Company Plans. Seller shall not, prior to Closing, take action to terminate the Lehman Brothers Holdings Inc. Retirement Plan without first consulting with Purchaser.

(b) After the Closing, the Purchaser shall, or shall cause one or more of its Subsidiaries to, assume and be solely responsible for providing and paying (i) cash incentive compensation and/or bonuses to Transferred Employees with respect to any performance periods that have started as of the Closing Date but have not ended on or prior to the Closing Date, including with respect to the portion of the performance period prior to the Closing Date, (ii) accrued and unpaid salaries or wages as of the Closing Date, (iii) unused vacation or other paid time off to the extent earned as of the Closing Date, and (iv) any and all educational or training assistance for Transferred Employees for academic or training periods that have not been completed as of the Closing Date in accordance with the terms of the applicable educational or training program (a summary of which has been provided to the Purchaser). For the avoidance of doubt, except as otherwise agreed by any Transferred Employee or group of Transferred Employees with Purchaser or a Subsidiary of Purchaser, all payments of bonuses and incentive
compensation should be made substantially in accordance with the terms and conditions of the plans, policies and arrangements in effect immediately prior to the Closing for such Transferred Employees except as permitted by Section 7.9(c).

(c) With respect to the period from December 1, 2007, until the Closing Date, the Seller shall, and shall cause the Company Group, to accrue for liabilities in respect of incentive compensation and bonuses payable to Transferred Employees in amounts no less than the amounts set forth on Schedule 7.9(c) and based on the formula specified thereon (per diem in the case of employees customarily paid discretionary bonuses) (regardless of when such incentive compensation and bonuses are expected to be paid) and the Company Group shall (and Seller on or prior to the Closing, and Purchaser following Closing, shall cause its Subsidiaries to) pay all such formulaic incentive compensation and bonuses, and, except as the Purchaser otherwise agrees in writing, 100% of such discretionary incentive compensation and bonuses, to Transferred Employees in cash at the time in the year when compensation of such type has been paid according to past practices, as specified on Schedule 7.9(c); for purposes of such accruals, amounts previously paid in forms other than cash shall be deemed not to have been paid.

(d) On or prior to Closing, Seller shall, and shall cause each member of the Company Group to, accelerate vesting of all employee benefits of Transferred Employees provided under the Lehman Brothers Holdings Inc. Retirement Plan and the Lehman Brothers Savings Plan.

(e) Parent shall, and shall cause its Subsidiaries to, use reasonable efforts to consult with Purchaser with respect to the allocation and timing of the payment of bonuses to be paid to any employee who is employed primarily in connection with the Business by Parent or any of its Subsidiaries.

(f) The Seller undertakes to the Purchaser to provide all material information within 30 Business Days after execution of this Agreement in relation to any act or omission to which a member of the Company Group or any of its directors, officers or employees is or was party which, in the light of all relevant factors (including the factors referred to in sections 38(7) and 43(7) of the UK Pensions Act), may in the reasonable opinion of the Seller cause the Pensions Regulator to exercise its powers so as to impose liabilities on the Purchaser, the Purchaser’s Subsidiaries, or any member of the Company Group, or any of their directors, officers or employees under sections 38-51 of the UK Pensions Act (“Relevant Transaction”).

(g) The Seller agrees to use reasonable commercial efforts to reach agreement as soon as practicable with the trustees of the Lehman Brothers Pension Scheme (UK), the Pensions Regulator and the PPF, to obtain a clearance statement in favour of the Companies, the Purchaser and Purchaser’s Subsidiaries from the Pensions Regulator, under sections 42 and 46 of the UK Pensions Act in respect of the following:

(i) the transaction governed by this Agreement; and
(ii) if any member of the Company Group or any of its directors, officers or employees is or was a party to any Relevant Transaction, the Relevant Transaction, under which the Pensions Regulator confirms (on a basis that is not conditional upon any member of the Company Group or any associated or connected company fulfilling any obligations, other than a one-off payment to the Lehman Brothers Pension Scheme (UK) or the PPF) that it will not issue to any member of the Company Group or any of its directors, officers or employees:

(A) a contribution notice under sections 38, 47 or 55 of the UK Pensions Act or (to the extent the Pensions Regulator is willing to provide such confirmation) under forthcoming amendments to the UK Pensions Act (or any other legislation) made in connection with the announcement by the UK Department for Work and Pensions dated 14 April 2008; or

(B) a financial support direction under section 43 of the UK Pensions Act.

(h) It is agreed that Seller and its advisers shall prepare and submit the clearance application to the Pensions Regulator and shall have principal conduct of all matters relating to the clearance application and correspondence with the Pensions Regulator. Purchaser agrees to cooperate with the Parent and the Seller in all matters relating to the process described in Section 7.9(g) above, including without limitation by:

(i) providing any such information as may be within the control of the Purchaser and is necessary to respond to questions raised by the trustees, the Pensions Regulator or the PPF; and

(ii) keeping Seller promptly informed of all communications received from the Pensions Regulator, the PPF and the trustees of the Lehman Brothers Pension Scheme (UK) in relation to the clearance application and providing Seller with draft copies of all communications relevant to the trustee discussions and clearance application at such time as will allow Seller a reasonable opportunity to comment on such submission or communication before it is submitted; take into account any reasonable comments and promptly provide Seller with a copy of all such communication in the form submitted except that confidential information contained in such submission or communication may be redacted.

(i) At the Purchaser’s option and to such extent as Purchaser may reasonably specify, the Purchaser may directly or through one or more designated parties participate in the process referred to in Section 7.9(g) above, and for these purposes hold discussions with the trustees of the Lehman Brothers Pension Scheme (UK), the Pensions Regulator and the PPF provided that the Purchaser (or any party designated by the Purchaser) will not hold or initiate any independent discussions with such trustees, the Pensions Regulator or the PPF without inviting and giving the Seller a reasonable opportunity to join such discussions.
(j) In the event that a payment is required to be made to the Lehman Brothers Pension Scheme (UK) or the PPF to enable a clearance statement to be issued by the Pensions Regulator in accordance with Section 7.9(g) the Seller and Purchaser agree that, to the extent that such payment has not been made by the Parent or any of its subsidiaries prior to Closing, the amount of such payment shall be included as a Liability in the calculation of the Closing Other Liabilities Adjustment.

(k) Nothing contained herein shall be construed as requiring, and neither the Seller nor any member of the Company Group shall take any action that would have the effect of requiring the Purchaser to continue any specific employee benefit plan or to continue the employment of any specific person. Nothing in this Agreement is intended to establish, create or amend, nor shall anything in this Agreement be construed as establishing, creating or amending, any employee benefit plan, practice or program of the Purchaser, any of its Affiliates or any Company Benefit Plan, nor shall anything in this Agreement create or be construed as creating any contract of employment or as conferring upon any Transferred Employee or upon any other person, other than the parties to this Agreement in accordance with its terms, any rights to enforce any provision of this Agreement under ERISA or otherwise.

7.10 Tax Matters.

(a) The Purchaser shall provide the Seller with draft Tax Returns for any of the Acquired Subsidiaries for any Straddle Period, as well as any other Tax Return of any of the Acquired Subsidiaries that could adversely affect the Seller. The Purchaser shall provide to the Seller any Tax Return described in the preceding sentence at least thirty (30) days prior to the due date for filing such Tax Returns, together with a statement setting forth the amount of Seller Taxes attributable to such Tax Returns for which the Seller would be responsible pursuant to Section 9.2 (after taking into account any adjustment to the Closing Target Cash) (the “Tax Statement”), and at least fifteen (15) days prior to the due date for the filing of such Tax Returns, the Seller shall notify the Purchaser of the existence of any objection(s) the Seller may have to any items set forth on such draft Tax Return or Tax Statement, and if, after consulting in good faith, the Purchaser and the Seller are unable to resolve such objection(s), such objection(s) shall be resolved as provided in Section 7.10(b). The Seller shall pay to the relevant Acquired Subsidiary the Taxes as calculated on the Tax Statement at least five (5) days prior to the due date (including any extensions) for the filing of the Tax Return to which the Tax Statement relates. Notwithstanding anything to the contrary in this Section 7.10(a), neither the Purchaser nor any of its Affiliates (including, after the Closing, the Acquired Subsidiaries) shall, without the prior written consent of the Seller (such consent not to be unreasonably withheld, conditioned or delayed), make or change any election of or with respect to any of the Acquired Subsidiaries, or amend, refile or otherwise modify (or grant an extension of any applicable statute of limitations with respect to) any Tax Return of any of the Acquired Subsidiaries, if the making or changing of such election, or the amendment, refiling or modification of such Tax Return, could increase the amount of
Seller Taxes for which the Seller would be required to indemnify the Purchaser pursuant to Section 9.2.

(b) With respect to any Tax Return described in Section 7.10(a), if, after consulting in good faith with one another as provided in Section 7.10(a), the Seller and the Purchaser are unable to resolve any objection(s) with respect to any items on such Tax Return, such objection(s) shall be referred to an independent accounting firm mutually acceptable to the Purchaser and the Seller for resolution on a basis consistent with the past practices of the Acquired Subsidiaries with respect to such items. If such independent accounting firm is unable to make a determination with respect to any disputed item within five (5) days prior to the due date for the filing of the Tax Return in question, then the Purchaser may file such Tax Return on the due date therefor without such determination having been made and without the Seller’s consent. Notwithstanding the filing of such Tax Return, such independent accounting firm shall make a determination with respect to any disputed item, and the amount of Seller Taxes for which the Seller is responsible under Section 9.2 shall be as determined by such independent accounting firm. The fees and expenses of such independent accounting firm shall be paid one-half by the Purchaser and one-half by the Seller.

(c) The Purchaser, the Seller, and the Acquired Subsidiaries shall, to the extent permitted by applicable Law, elect with the relevant Governmental Body to treat for all purposes the Closing Date as the last day of a taxable period of each Acquired Subsidiary (including Acquired Subsidiaries that are treated as partnerships for U.S. tax purposes). The Purchaser, the Seller and the Acquired Subsidiaries shall cooperate fully, as and to the extent reasonably requested by each other, in connection with the filing of Tax Returns and any audit, inquiry, litigation or other proceeding with respect to Taxes. Such cooperation shall include the retention and (upon the other party’s request) the provision of records and information which are reasonably relevant to any such audit, inquiry, litigation or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. From the Execution Date until Closing, the Seller shall assist Purchaser, as and to the extent reasonably requested, in completing the Tax due diligence in respect of the Acquired Subsidiaries or Purchased Assets, including by providing the Purchaser with records and information, which are reasonably relevant to such inquiry, or making employees available on a mutually convenient basis to provide additional information or explanation. The party requesting any such information will bear all of the reasonable out-of-pocket costs and expenses reasonably incurred in connection with providing such information.

(d) The Purchaser shall have the sole right to control any audit or examination by any Governmental Body, initiate any claim for refund, and contest, resolve and defend against any assessment for additional Taxes, notice of Tax deficiency or other adjustment of Taxes of, or relating to, the income, assets or operations of any Acquired Subsidiary (collectively, “Acquired Subsidiary Tax Proceedings”); provided, however, if any Acquired Subsidiary Tax Proceeding could reasonably be expected to increase the amount of Seller Taxes for which Seller would be responsible pursuant to
Section 9.2, or could reasonably be expected to otherwise materially adversely affect the Seller or its Affiliates, then the Purchaser shall (i) keep the Seller fully and timely informed with respect to such Acquired Subsidiary Tax Proceedings, (ii) in good faith, allow the Seller to make comments to the Purchaser regarding the conduct of or positions taken in any such Acquired Subsidiary Tax Proceedings, (iii) allow the Seller to participate at its own expense in any such Acquired Subsidiary Tax Proceedings, and (iv) not enter into any settlement or compromise with respect to such Acquired Subsidiary Tax Proceedings without the prior written consent of the Seller (such consent not to be unreasonably conditioned, withheld or delayed).

(e) Upon the receipt by the Purchaser or any Acquired Subsidiary of, or upon filing of any Tax Return claiming a credit for, any Excluded Asset described in clause (r) of the definition of “Excluded Assets”, the Purchaser shall pay to the Seller an amount equal to such Excluded Asset within ten (10) days after receipt thereof or within ten (10) days of the filing of such Tax Return, as applicable; provided that, to the extent any portion of such refund or claim is subsequently disallowed, the Seller will refund to the Purchaser an amount equal to the disallowed portion.

(f) The Purchaser and the Seller shall in good faith determine the allocation of the Purchase Price among the Purchased Assets and the assets of the Acquired Subsidiaries in accordance with the provisions of Section 1060 of the Code and the Treasury Regulations issued thereunder (the “Allocation”), including in preparing any U.S. Tax filings or other forms required to be filed in connection with such allocation. The Purchaser and the Seller agree that (i) they shall file all U.S. Tax Returns and other forms consistent with the Allocation; (ii) any subsequent adjustments to the Purchase Price shall be reflected in the Allocation in a manner consistent with the Allocation and applicable law; and (iii) they shall consult with one another with respect to any Tax audit, controversy or litigation relating to the Allocation by any Taxing Authority. The Seller further agrees that with respect to any Acquired Subsidiary that is classified as a “partnership” within the meaning of Treasury Regulation Section 301.7701-2, the Seller shall, where permitted, file or cause each such Acquired Subsidiary to file, or have in effect, an election pursuant to Section 754 of the Code for the taxable period ending on the Closing Date. Each such Acquired Subsidiary described in the preceding sentence shall prepare the statement of adjustments described in Treasury Regulation Section 1.743-1(k)(1) consistently with the Allocation and no party shall take any position on any Tax Return that is inconsistent therewith.

(g) Prior to the Closing, the Seller shall cancel or cause to be cancelled any tax sharing, allocation, indemnity or similar agreement or arrangement to which any Acquired Subsidiary is a party.

(h) Except as required by Law, Seller may not amend, refile, revoke or otherwise modify or cause or permit to be amended, refiled, revoked or otherwise modified any Tax Return or Tax election of Seller (as relates to the Purchased Assets), any Subsidiary of the Seller or any Acquired Subsidiary that affects or may affect the Tax liability of Purchaser or any Acquired Subsidiary with respect to a taxable year ending
after the Closing Date without the prior written consent of Purchaser (such consent not to be unreasonably conditioned, withheld or delayed); provided, however, nothing in this Section 7.10(h) shall prohibit or restrict the Seller or any of its Affiliates from making any election, entering into any closing agreement, settling any Tax liability, consenting to any extension or waiver of limitations period, filing, amending or modifying any Tax Return or changing any Tax accounting method or tax period with respect to any consolidated, combined or unitary group of which the Seller or any of its Affiliates is or was a member, except to the extent that such action would increase the Tax liability of any Acquired Subsidiary for any period ending after the Closing Date.

(i) The Seller hereby agrees to undertake all actions necessary to transfer or cause to be transferred at the Purchaser’s request any Purchased Assets from any member of the Company Group, which may be liable for any Seller Taxes described in clause (iii) or (iv) of the definition of “Seller Taxes”, to a transferee entity designated by Purchaser, including by subjecting such member of the Company Group to a Chapter 11 proceeding or a Chapter 7 proceeding. The Seller further agrees to cooperate with Purchaser to structure and implement the sale of any non-U.S. Acquired Subsidiary as a sale of assets for U.S. Tax purposes, including without limitation by converting such Acquired Subsidiary from a “per-se” corporation within the meaning of the Treasury Regulations issued under Code Section 7701 to an “eligible entity” prior to Closing and by filing entity classification elections as requested by Purchaser with respect to any non-US Acquired Subsidiary; provided, however, the Seller shall not be required to implement any such structure, undertake any such sale or make any such election, if doing so could reasonably be expected to result in material adverse economic or tax consequences to the Seller or any of its Affiliates.

Seller shall and shall cause any member of the Company Group to promptly transfer to Seller’s Affiliates, immediately prior to the Closing, any assets (including Contracts) of such member of the Company as the Purchaser may designate by written request.

7.11 [Reserved].

7.12 Client Brokerage Consents. Promptly and in any event within 30 Business Days following the Execution Date, to the extent required by applicable Law or pursuant to a brokerage agreement, the Seller shall and shall cause the applicable members of the Company Group to inform each of its applicable brokerage clients in writing of the transactions contemplated by this Agreement by sending such client a notice thereof, and, other than with respect to the Public Funds (which are addressed in Section 7.14 of this Agreement), shall use its reasonable best efforts to seek such client’s consent to the continuation of its brokerage agreement with the applicable member of the Company Group or a Subsidiary of the Purchaser following consummation of the transactions contemplated hereby, which notice shall comply with applicable Law. To the extent consistent with applicable Law or SEC or FINRA pronouncements or unless affirmative consent is required by the applicable agreement, such consent may take the form of a so-called implied or negative consent. The Purchaser will provide to the Seller
all information regarding the Purchaser and its Affiliates reasonably required in connection therewith. The Seller shall deliver drafts of all such consents and related materials to the Purchaser a reasonable time prior to the mailing or other distribution of such documents to any Client in order to afford the Purchaser an opportunity to fully review and comment on such documents, and the Purchaser shall have the right to so review and comment on such documents. The Purchaser will provide to the Seller all information regarding the Purchaser and its Affiliates reasonably required to be included in the consents and related materials and the Purchaser covenants that any information related to the Purchaser that is provided by the Purchaser or its Affiliates or their respective operations or plans will not contain, at the time such materials are furnished to the Seller, any untrue statement of material fact or omit to state any material fact required to be stated therein, where necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. The Seller covenants that all other information contained in the consents and related materials will not contain, at the time such materials are furnished to any client, any untrue statement of material fact or omit to state any material fact required to be stated therein, where necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

7.13 Client Investment Advisory Consents. Promptly and in any event within 30 Business Days following the Execution Date, to the extent required by applicable Law or pursuant to an investment advisory agreement, the Seller shall, or shall cause the applicable members of the Company Group to, inform each Client in writing of the transactions contemplated by this Agreement by sending such Client a notice thereof, and, other than with respect to the Public Funds (which are addressed in Section 7.14 of this Agreement), shall use its reasonable best efforts to seek such Client’s consent to the continuation of its investment advisory agreement with the applicable member of the Company Group or a Subsidiary of the Purchaser following consummation of the transactions contemplated hereby, which notice shall comply with applicable Law. To the extent consistent with applicable Law or SEC pronouncements or unless affirmative consent is required by the applicable agreement, such consent may take the form of a so-called implied or negative consent; provided that, in seeking any such Client consent through such implied or negative consent, the Seller or the applicable member of the Company Group shall provide, no less than 45 days prior to the Closing, written notice to the Client that the applicable member of the Company Group or Subsidiary of the Purchaser will continue to provide investment advice to the Client, pursuant to the Client’s existing investment advisory agreement, after the Closing. The Seller shall deliver drafts of all such consents and related materials to the Purchaser a reasonable time prior to the mailing or other distribution of such documents to any Client in order to afford the Purchaser an opportunity to fully review and comment on such documents, and the Purchaser shall have the right to so review and comment on such documents. The Purchaser will provide to the Seller all information regarding the Purchaser and its Affiliates reasonably required to be included in the consents and related materials and the Purchaser covenants that any information related to the Purchaser that is provided by the Purchaser or its Affiliates or their respective operations or plans will not contain, at the
time such materials are furnished to the Seller, any untrue statement of material fact or omit to state any material fact required to be stated therein, where necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. The Seller covenants that all other information contained in the consents and related materials will not contain, at the time such materials are furnished to any client, any untrue statement of material fact or omit to state any material fact required to be stated therein, where necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

7.14 Public Fund Investment Advisory Consents.

(a) As soon as practicable after the Execution Date, the Seller shall, or shall cause the applicable member of the Company Group to, use its reasonable best efforts to, in accordance with applicable Law, (i) obtain, with respect to each Public Fund, the approval by the relevant Public Fund’s board of directors or board of trustees acting in accordance with Section 15(c) of the Investment Company Act of a new investment advisory agreement with the applicable member of the Company Group on terms that are no less favorable to the applicable member of the Company Group than the terms of the existing investment advisory agreement with such Public Fund (each such new investment advisory agreement, a “New Public Fund Investment Advisory Agreement”); and (ii) obtain, with respect to each Public Fund, the approval by the relevant Public Fund’s board of directors or board of trustees of the continuation after the Closing, or the replacement, of any other existing agreement with the applicable member of the Company Group, on terms that are no less favorable to the applicable member of the Company Group than the terms of such existing agreement with such Public Fund, but only to the extent any such other contract will terminate as a result of the consummation of the transactions contemplated by this Agreement (the “Other Public Fund Agreements”).

(b) Promptly after obtaining the approvals set forth in Section 7.14(a) above, the Seller shall, or shall cause the applicable member of the Company Group to, use its reasonable best efforts to cause to be prepared and filed with the SEC proxy materials for meetings of the shareholders of each of the Public Funds and to cause proxy solicitations to be undertaken in order that such meetings be held and concluded as early as practicable prior to the Closing. At such shareholder meetings, the approval of the applicable shareholders will be sought for (i) the New Public Fund Investment Advisory Agreements; (ii) to the extent required by Law to be approved by shareholder vote, the Other Public Fund Agreements; and (iii) such other matters related to the transactions contemplated by this Agreement as may be required by Law to be approved by shareholder vote. The Seller shall deliver drafts of such proxy materials to the Purchaser a reasonable time prior to filing any such documents with the SEC and prior to mailing such documents to shareholders of the Public Funds in order to afford the Purchaser an opportunity to fully review and comment on such documents, and the Purchaser shall have the right to so review and comment on such documents.
(c) The Seller covenants that such proxy materials for each of the Public Funds will comply as to form in all material respects with the applicable rules of the SEC.

(d) Each party covenants that any information describing such party or its Affiliates or their respective operations or plans or provided by such party or its Affiliates that is contained in any proxy materials will not contain, at the time such materials are furnished or at the time of the shareholder meeting contemplated thereby, any untrue statement of material fact or omit to state any material fact required to be stated therein, where necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

(e) In the event that, with respect to a Public Fund, the Seller or a member of the Company Group expects that it will be unable to obtain the approvals of the shareholders of the Public Fund in accordance with Section 7.14(b) hereof prior to the Closing, the Seller or the applicable member of the Company Group shall use its reasonable best efforts to seek such approvals as soon as possible following the Closing (but in no event later than 150 days following the Closing), and shall request the board of directors or board of trustees of such Public Fund to approve, before the Closing and in conformity with Rule 15a-4 under the Investment Company Act, an interim investment advisory agreement to be effective immediately following the Closing, for such Public Fund, containing the same terms and conditions as the existing investment advisory agreement (except as required under Rule 15a-4 under the Investment Company Act) with such Public Fund (each, a “New Public Fund Interim Investment Advisory Agreement”).

(f) The Seller shall use its reasonable best efforts to cause the Public Funds to timely amend the Public Funds’ Registration Statements on Form N-1A or Form N-2, as applicable, pursuant to Rule 485(a) under the Securities Act to reflect the consummation of the transactions contemplated by this Agreement and the approval of the New Public Fund Investment Advisory Agreements.

(g) For purposes of this Agreement, any New Public Fund Investment Advisory Agreement, New Public Fund Interim Investment Advisory Agreement and Other Public Fund Agreement may, at the election of the Purchaser prior to seeking the relevant approvals of such agreement, be with a Subsidiary of the Purchaser instead of the applicable member of the Company Group on terms at least as favorable to such Subsidiary as would have been the case if such agreement had been with the applicable member of the Company Group.

7.15 Section 15 of the Investment Company Act. The parties each agree to use all commercially reasonable efforts to ensure compliance with the requirements of Section 15(f) of the Investment Company Act in respect of this Agreement and the transactions contemplated hereunder. In that regard, the Purchaser shall conduct its business and shall, subject to applicable fiduciary duties in relation to any Public Fund, use its commercially reasonable efforts to cause each of its Subsidiaries
to conduct their business, so as to enable (i) for a period of three years after the Closing Date, at least 75% of the members of each board of directors/trustees of each Public Fund not to be (A) “interested persons” (as that term is defined in the Investment Company Act) of the investment adviser of the relevant Fund after the Closing, or (B) “interested persons” (as that term is defined in the Investment Company Act) of the investment adviser of the relevant Fund immediately prior to the Closing and (ii) there not to be imposed an “unfair burden” (as that term is defined in the Investment Company Act) on any Public Fund as a result of the transactions contemplated hereby, or any express or implied terms, conditions or understandings applicable thereto; provided, however, that if the Purchaser shall have obtained an order from the SEC exempting it from the provisions of Section 15(f), while still maintaining the “safe harbor” provided by Section 15(f), then this covenant shall be deemed to be modified to the extent necessary to permit the Purchaser to act in any manner consistent with such SEC exemptive order.

7.16 Administration. Promptly after the Execution Date, the parties will use their commercially reasonable efforts to structure and document an arrangement whereby Pricewaterhouse Coopers LLP (in its capacity as the administrator of Lehman Brothers International (Europe), Lehman Brothers Holdings plc, Lehman Brothers UK RE Holdings Limited and Lehman Brothers Limited, and in the case of any other assets intended to be part of the Purchased Assets subject to or under administration, receivership, bankruptcy or other similar insolvency proceeding in any non-U.S. jurisdiction, any Person appointed to manage such asset, the “Administrator”) would be asked to agree to (a) transfer any of the Purchased Assets that are subject to the dominion and control of the Administrator (the “Administered Assets”) pursuant to the terms and conditions of this Agreement and (b) a transitional operating plan to maintain the ordinary course operations of the relevant operations of the Business (at the expense of the Seller if requested by the Administrator) under the dominion and control of such Administrator in exchange for receipt from Seller (or the applicable Subsidiary) of a mutually agreed portion of the Purchase Price hereunder to be agreed by Parent and the Administrator. To facilitate the transfer of the Administered Assets, Purchaser will organize one or more entities into which the Administered Assets would be transferred at Closing and would use its commercially reasonable efforts to obtain, on or prior to Closing, any consents, licenses or other authorizations necessary to own and operate the Administered Assets from each relevant Governmental Body, including the Financial Services Authority and the Irish Financial Regulator, as applicable.

7.17 Qualification of the Public Funds. The Seller will prior to the Closing use its reasonable best efforts to cause each of the Public Funds to continue to qualify as a “regulated investment company” within the meaning of Section 851 of the Code, and will not take any action prior to the Closing that would reasonably be expected to prevent any of the Public Funds from qualifying as such a “regulated investment company.” In addition, the Seller will use its best efforts to cause the Public Funds to take no action prior to the Closing that would be inconsistent with any Public Fund’s prospectus and statements of additional information or other offering, advertising or marketing materials.
7.18 [Reserved].

7.19 **Real Property Leases.**

(a) On or prior to the Closing Date, the Subleased Real Property Leases shall be assumed by the Seller and each Subleased Real Property Lease shall be assigned to BarCap.

(b) With respect to each Subleased Real Property Lease, Seller shall use commercially reasonable efforts to cause BarCap to (i) on or prior to the Closing Date, negotiate in good faith, in accordance with, and limited by Seller’s rights under the BarCap APA, with the Purchaser a sublease agreement (a “Sublease”) on mutually agreeable terms, pursuant to which a portion of the demised premises under such underlying Subleased Real Property Lease (such portion of the premises to be agreed upon by the parties) shall be subleased to the Purchaser, and (ii) execute and deliver on the Closing Date such mutually acceptable Sublease. The Sublease shall be subject to the terms of the applicable underlying Subleased Real Property Lease.

(c) Seller’s obligation to enter into, or to cause BarCap to enter into, Subleases in accordance with this Section 7.19 is subject to the receipt by Seller or BarCap, as applicable, of all applicable Landlord Consents. BarCap or Seller, as applicable and Purchaser will cooperate and use commercially reasonable efforts in obtaining such Landlord Consents with respect to the Subleases; provided, however, that Seller shall not be obligated to incur any expenses in connection with obtaining such Landlord Consents. BarCap or Seller, as applicable and Purchaser shall otherwise comply in all respects with the terms and provisions of the underlying Subleased Real Property Lease in connection with the execution and delivery of the applicable Sublease.

(d) (i) Notwithstanding the above, in the event that, following the Closing, BarCap, through an assignment from Seller, obtains a leasehold interest that continues to be used or occupied by an employee of Purchaser or its Subsidiaries, and such leasehold interest is not subleased by BarCap to Purchaser or its designees, then, to the extent permitted under the terms and conditions of the BarCap APA and subject to Purchaser’s commercially reasonable efforts to re-locate such persons, Seller shall cause BarCap to permit the Purchaser to continue to occupy or use such property to the same extent and in the same manner as prior to the Closing for a period commencing on the Closing Date and expiring on June 10, 2009.

(ii) In addition, with regard to leasehold interests held by Seller which are used in the operation of the Business (including, but not limited to, the lease of 399 Park Avenue, New York, New York) and not subleased to Purchaser pursuant to this Section 7.19, Seller shall provide reasonable prior notice to Purchaser before rejecting or otherwise acting to terminate the underlying lease, and shall not reject or take other action resulting in the rejection or termination of such lease or the interruption of Purchaser’s occupation of such space without taking all reasonable steps necessary to, or, following the Closing, to provide Purchaser reasonable opportunity to, relocate assets or
activities of the Business to alternate facilities in an orderly fashion no later than March 19, 2009.

7.20 Competing Transaction.

(a) Except as provided in Section 7.20(b) and the Bid Procedures Order, neither the Seller nor any Affiliate of Seller shall, directly or indirectly, through any officer, director, employee, agent, professional, advisor or other Representative (i) solicit, initiate, encourage or discuss any proposal or offer from any Person (other than Purchaser) relating to any financing, refinancing, acquisition, divestiture, public offering, recapitalization, business combination or reorganization of or involving all or any part of the business and operations of the Business (a “Competing Transaction”), (ii) furnish any information with respect to, or assist or participate in, or facilitate in any other manner, any effort or attempt by any Person to do or seek the foregoing or (iii) seek or support Bankruptcy Court approval of a motion or Order inconsistent in any way with the transactions contemplated herein.

In addition, during such Solicitation Period, the Seller shall have the responsibility and obligation to respond to any inquiries or offers to purchase all or any part of the Business and perform any and all other acts related thereto which are required under the Bankruptcy Code or other applicable law, including, without limitation, supplying information relating to the Business and assets of the Companies to prospective buyers. The Seller shall contemporaneously provide Purchaser with any information provided to any prospective purchasers not previously provided to Purchaser. The Seller shall, within forty-eight (48) hours of their receipt thereof, notify Purchaser of and provide Purchaser with a copy of any proposal received by the Seller with respect to any Competing Transaction, including disclosing to Purchaser the identity of the party making such proposal.

7.21 [Reserved].

7.22 Deferred Transfers.

(a) If and to the extent that the allocation to and vesting in Purchaser or any of its Subsidiaries of any Purchased Assets pursuant to Section 2.1 or otherwise would be a violation of applicable Law or require any consent or the approval of any Governmental Body or the fulfillment of any condition that cannot be fulfilled by the Purchaser prior to the Closing then, unless the parties shall otherwise agree, the allocation to and vesting in Purchaser or any of its Subsidiaries of such Purchased Asset shall be, without any further action by any party hereto, automatically deferred and any allocation or vesting of such Purchased Asset pursuant to Section 2.1 or otherwise shall be null and void until such time as all violations of applicable Law are eliminated, such consents or
approvals of Governmental Bodies are obtained, and such conditions are fulfilled, which in all cases shall be no later than twelve (12) months from the Closing Date unless otherwise agreed to by the parties hereto. Any such Purchased Asset shall be deemed a “Deferred Transfer Purchased Asset.”

(b) If and to the extent that the allocation to Purchaser or any of its Subsidiaries or, and Purchaser’s or any such Subsidiary’s becoming responsible for, any Assumed Liabilities pursuant to Section 2.3 or otherwise would be a violation of applicable Law or require any consent or approval of any Governmental Body or the fulfillment of any condition that cannot be fulfilled by Seller prior to the Closing, then, unless the parties hereto shall otherwise agree, the allocation to Purchaser or any of its Subsidiaries of, and Purchaser’s or any such Subsidiary’s becoming responsible for, such Assumed Liability shall, without any further action by any party, be automatically deferred and any allocation or responsibility for such Assumed Liability pursuant to Section 2.3 or otherwise shall be null and void until such time as all violations of applicable Law are eliminated, such consents or approvals of Governmental Bodies are obtained, and such conditions are fulfilled. Any such Assumed Liability shall be deemed a “Deferred Transfer Assumed Liability.”

(c) With respect to any Deferred Transfer Purchased Asset or any Deferred Transfer Assumed Liability, insofar as it is reasonably possible, (i) Seller shall, and shall cause any applicable Subsidiary of the Seller to, following the Closing, hold such Deferred Transfer Purchased Asset for the use and benefit of Purchaser and its Subsidiaries (at the expense of Purchaser) and (ii) Purchaser shall, or shall cause its applicable Subsidiary to, pay or reimburse Seller for all amounts paid or incurred in connection with the retention of such Deferred Transfer Assumed Liability. In addition, Seller shall, and shall cause any applicable Subsidiary of the Seller to, insofar as reasonably possible and to the extent permitted by applicable Law, hold and treat such Deferred Transfer Purchased Asset in the ordinary course of business in accordance with past practice and take such other actions as may be reasonably requested by Purchaser in order to place Purchaser or any of its Subsidiaries, insofar as permissible under applicable Law and reasonably possible, in the same position as if such Deferred Transfer Purchased Asset had been transferred to and vested in Purchaser or an applicable Subsidiary of the Purchaser at the Closing and so that, to the extent possible, all the benefits and burdens relating to such Deferred Transfer Purchased Asset, including possession, use, risk of loss, potential for gain, and dominion, control and command over such Deferred Transfer Purchased Asset, are to inure from and after the Closing to Purchaser or its applicable Subsidiary entitled to the receipt of such Deferred Transfer Purchased Asset.

(d) If and when the consents, approvals of Governmental Bodies and/or conditions, the absence or non-satisfaction of which caused the deferral or transfer of any Deferred Transfer Purchased Asset or Deferred Transfer Assumed Liability pursuant to Section 7.22(a) and Section 7.22(b), are obtained or satisfied, the transfer, allocation or novation of the applicable Deferred Transfer Purchased Asset or Deferred Transfer Assumed Liability shall be effected in accordance with and subject to the terms of this Agreement.
(e) Seller shall not be obligated, in connection with the foregoing, to expend any money unless the necessary funds are advanced, assumed or agreed in advance to be reimbursed by Purchaser, other than reasonable attorney’s fees and recording or similar fees, all of which shall be promptly reimbursed by Purchaser.

At any time prior to the fifth (5th) Business Day prior to the Closing, the Purchaser may elect, in its sole discretion with notice to the Seller, but without any effect on the Purchase Price, (a) to designate as an Excluded Asset any asset, interest or right that would otherwise constitute a Purchased Asset hereunder if the Purchaser reasonably and in good faith determines that it or any of its Subsidiaries could become subject to any Liability as a result of acquiring such asset that is material to such asset or (b) to elect to purchase the assets of any member of the Company Group and assume the Liabilities of such member of the Company Group of a type that constitute Assumed Liabilities in lieu of purchasing the equity interests of such member of the Company Group (including a member of the Company Group previously expected to be treated under this Agreement as an Acquired Subsidiary); provided, however, that such member was expected to be an Acquired Subsidiary; and provided further that, if the time frame for the Purchaser to deliver a Designation Notice shall have expired, then such member shall not be required to become a Debtor and the timeframe for Purchaser to deliver a Designation Notice shall not be extended or (c) to delay to a date beyond the Closing Date the purchase of any Purchased Assets hereunder. (b) The Seller shall use reasonable best efforts to serve notice of the Sale Motion and related notices (including notices to be provided to counterparties of Purchased Contracts, Transferred Real Property Leases and Subleases) on all Persons entitled to notice under the Bankruptcy Code and the Bankruptcy Rules including, providing notice to all known persons who may have claims against any member of the Company Group that may become subject to a Bankruptcy Case.

The Seller shall also provide the Purchaser with written notice of any motion or application filed in connection with any appeal from either of such Orders. Each of the Sellers agrees to take all steps as may be reasonable and appropriate to defend against such appeal, petition or motion, and the Purchaser agrees to cooperate in such efforts. Each party hereto agrees to use commercially reasonable efforts to obtain an expedited resolution of such appeal; provided that nothing herein shall preclude the parties hereto from consummating the transactions contemplated herein if the Sale Order shall have been entered and has not been stayed.

(d) From and after the Execution Date and to the extent Purchaser is the Successful Bidder at the Auction, from and after the date of the Auction, the Seller shall not take any action that is intended to result in, or fail to take any action the intent of which failure to act would result in, the reversal, voiding, modification or staying of the Bid Procedures Order or the Sale Order. Each of the Sellers further covenants and agrees that the terms of any plan of reorganization or liquidation or proposed order of the Bankruptcy Court that may be filed, proposed or submitted or supported by the Seller after entry of the Sale Order or consummation of the transactions contemplated hereby shall not conflict with, supersede, abrogate, nullify, modify or restrict the terms of this Agreement, the Bid Procedures Order or the Sale Order or the rights of the Purchaser hereunder or thereunder.

(e) From and after the Execution Date, subject to the terms and conditions of this Agreement, the Seller shall use reasonable best efforts to obtain approval of this Agreement, the Sale Motion and entry of the Bid Procedures Order, and the Sale Order. Each party shall provide the other party with reasonable advance notice and opportunity to review any motion, pleading, proposed order, press release, public statement or other document that relates or refers to the Agreement or the other party prior to making any such filing, release or disclosure.

(b) From the Execution Date until the Closing Date, Seller shall not and shall cause its Affiliates not to, sell, transfer, pledge or otherwise directly or indirectly dispose of any side by side interest or interest as a limited partner, shareholder or member of any Fund unless Seller shall have, prior to any such transfer, received written confirmation from the transferee that the transferee will (i) vote in favor of any Fund Amendments applicable to such Fund and grant the consents (in whatever capacity) or approvals (in whatever capacity), in each case, applicable to such Fund in support of the transactions contemplated hereby (in whatever capacity); (ii) not solicit and not vote in favor of any liquidation or termination of any such Fund, or the removal of the general partner, investment advisor or comparable entity for such Fund or similar event, other than any such action taken in support of the transactions contemplated by this Agreement; and (iii) refrain from transferring such interest until the earlier of the Closing or the termination of this Agreement; provided, however, that the Seller or its Affiliates may permit such transferee to transfer such interest if the subsequent transferee provides written confirmation to Purchaser and Seller that such transferee will comply with the terms set forth in this Section 7.27(b).

In the event that Purchaser elects to exclude any such interest, Parent shall cause the Co-Invest Fund to enter into a sub-advisor agreement with an Affiliate of Purchaser that will provide such Affiliate, as nearly as possible, with the same compensation as it would have received if Purchaser had acquired the Co-Invest Fund’s advisor and general partner or other controlling entity.

During such period that Purchaser has the right to possess the artwork following the Closing, Purchaser shall bear the risk of loss for such artwork located in premises used by the Business other than 399 Park Avenue, New York, New York. Similarly, Purchaser covenants that it shall provide Seller and its Subsidiaries, and to Seller and its Subsidiaries’ successors, assigns, sublicensees, and transferees, for the Transition Period, (as defined below) all Services that have been previously provided by the portions of Seller’s business that are being acquired by Purchaser pursuant to this Agreement, and that are necessary to allow Seller and its Subsidiaries to continue to their ordinary course of business as conducted prior to Closing and/or unwind their operations, at the level and in such manner as the portions of Seller’s business that are being acquired by Purchaser pursuant to this Agreement have provided such Service during the period from January 1, 2008 through June 30, 2008. The “Transition Period” means the period commencing on the Closing Date and continuing for two (2) years. Seller and Purchaser shall each be reasonably compensated for such Services pursuant to the terms of the mutually agreed transition services more fully described in Section 7.32(c) below.

(b) Notwithstanding Seller’s and Purchaser’s obligations to provide Services pursuant to Section 7.32(a) above, Seller and Purchaser shall not be obligated to provide Services directly and may contract for the provision of necessary Services by others and “Services” shall not include those Services to be provided by or to BarCap under the BarCap TSA. Without limitation, in the event Seller or Purchaser disposes of or transfers facilities, systems, or other assets upon which Services are based or are necessary for the rendering of Services, Seller or Purchaser, as applicable, shall require all assignees and transferees to such assets to become contractually bound to Seller or Purchaser, and Seller’s or Purchaser’s successors and assigns, as applicable, to provide Services utilizing such assets up to the level and in the manner that Seller or Purchaser would have been obligated to provider hereunder had such assets not been assigned or transferred.

(c) Commencing immediately as of the Execution Date, the authorized representatives of the parties shall meet and confer to draft and reach mutual agreement upon a detailed transition services agreement consistent with the obligations of Seller and Purchaser set forth above which sets forth, through mutually agreed schedules and exhibits the specific services to be provided, the service level commitments, service pricing, and other commercially reasonable provisions and details. In addition, commencing immediately as of the Execution Date, Seller shall use commercially reasonable efforts to include Purchaser and Purchaser’s successors and assigns in the process of developing Schedules under Section 3.05 of the BarCap TSA (including, as appropriate, attending meetings with the personnel responsible for developing and negotiating the content of those schedules) and taking such other commercially reasonable steps to facilitate the receipt of services from BarCap as Purchaser or its successors or assigns may request, provided that, after the final specification of the
BarCap TSA Schedules, Purchaser or its successors or assigns shall reimburse Seller for Seller’s commercially reasonable out of pocket expenses associated with responding to any such request. With regard to the BarCap TSA Schedules, Seller shall give reasonable consideration to advice given by Purchaser and Purchaser’s successors and assigns with respect to the content of those Schedules or the provision or receipt of services under the BarCap TSA, but the parties acknowledge that Purchaser is not acquiring pursuant to this Section 7.32(c) a right of approval over the terms of the Schedules, and Seller retains those rights and privileges provided by the BarCap TSA and this Agreement with regard to the process of creating and finalizing the BarCap TSA Schedules.

ARTICLE VIII

CONDITIONS TO CLOSING

8.1 Conditions Precedent to Obligation of the Purchaser. The obligation of the Purchaser to consummate the Closing is subject to the fulfillment, on or prior to the Closing Date, of each of the following conditions (any or all of which may be waived by the Purchaser in whole or in part to the extent permitted by applicable Law):

(b) Seller shall have performed and complied in all material respects with all material obligations and agreements required by this Agreement to be performed or complied with by it on or prior to the Closing Date (it being acknowledged that the failure to obtain any consents or approvals sought under this Agreement shall not be considered to be a failure to perform or comply with any of the Seller’s obligations or agreements so long as the Seller has complied in all material respects with Section 7.4,
Section 7.5, Section 7.6, Section 7.12, Section 7.13, Section 7.14 and Section 7.19), and the Purchaser shall have received a certificate signed by an authorized officer of the Seller, dated the Closing Date, to the foregoing effect;

(e) the Seller shall have delivered, or caused to be delivered, to the Purchaser, duly executed Ancillary Agreements to which the Seller or any Affiliate thereof is a party, including the Transition Services Agreement, which will contain arrangements reasonably satisfactory to Purchaser for the provision of proprietary transition services and the replacement of such services for at least 24 months following the Closing;

(f) the Departure Percentage shall not be less than 80%;

(g) the Preliminary Closing NB Revenue Run-Rate Percentage shall be equal to or greater than 70%;

(h) the average closing price of the S&P 500 Index for the 10 consecutive full trading days immediately preceding the Closing Date shall be at least 75% of 1202.79;

(i) the Bankruptcy Court shall have entered the Bid Procedures Order in form and substance reasonably satisfactory to Purchaser and substantially in the form attached hereto as Exhibit A;

(j) the Bankruptcy Court shall have entered the Sale Order in form and substance reasonably satisfactory to Purchaser and substantially in the form attached hereto as Exhibit B, and such Order shall not have been stayed, amended, modified, reversed, vacated or revoked and is in full force and effect;

(k) Parent shall not have elected to cause the Estimated Aggregate Additional Adjustment to equal $850,000,000;

(l) Parent shall not have elected to cause the Estimated EBITDA Adjustment to equal $190,000,000; and
(m) the sum of (i) the Estimated Closing NB Adjustment plus (ii) the Estimated EBITDA Adjustment plus (iii) the Estimated Other Liabilities Adjustment plus (iv) the Estimated Closing S&P Adjustment (in each case, calculated as though Parent has made no elections that would otherwise limit such amounts) shall not be greater than $1,250,000,000.

8.2 Conditions Precedent to Obligation of the Seller. The obligation of the Seller to consummate the Closing is subject to the fulfillment, on or prior to the Closing Date, of each of the following conditions (any or all of which may be waived by the Seller in whole or in part to the extent permitted by applicable Law):

(a) (i) the representations and warranties of the Purchaser set forth in Sections 6.1 (Organization), 6.2 (Authorization), 6.6 (Financial Advisors) and 6.7 (Guarantees) shall be true and correct in all material respects when made and at and as of the Closing as though made at and as of such time (other than such representations and warranties that relate to an earlier date, in which case such representations and warranties shall be true and correct as of such earlier date) and (ii) the representations and warranties of the Purchaser set forth in this Agreement shall be true and correct (disregarding for purposes of this clause (ii) any qualifications or exceptions as to “materiality”) when made and at and as of the Closing as though made at and as of such time (other than such representations and warranties that relate to an earlier date, in which case such representations and warranties shall be true and correct as of such earlier date), except to the extent the failure of such representations and warranties to be so true and correct has not had a material adverse effect on the Purchaser’s ability to consummate the transactions contemplated hereby, and the Seller shall have received a certificate signed by an authorized officer of the Purchaser, dated the Closing Date, to the foregoing effect;

(b) the Purchaser shall have performed and complied in all material respects with all material obligations and agreements required by this Agreement to be performed or complied with by the Purchaser on or prior to the Closing Date, and the Seller shall have received a certificate signed by an authorized officer of the Purchaser, dated the Closing Date, to the foregoing effect;

(c) there shall not be in effect any Order by a Governmental Body of competent jurisdiction restraining, enjoining or otherwise prohibiting the consummation of the transactions contemplated hereby;

(d) the waiting period applicable to the transactions contemplated by this Agreement under the HSR Act shall have expired or early termination shall have been granted and any applicable non-United States antitrust and merger control requirements shall have been satisfied;

(e) the Purchaser shall have delivered, or caused to be delivered, to the Seller, duly executed Ancillary Agreements to which the Purchaser or any Affiliate thereof is a party, including the Transition Services Agreement, which will contain arrangements reasonably satisfactory to Seller for the provision of proprietary transition
services and the replacement of such services for at least 24 months following the Closing; and

(f) the Bankruptcy Court shall have entered a Sale Order in form and substance reasonably satisfactory to Seller and substantially in the form attached hereto as Exhibit B.

8.3 Frustration of Closing Conditions. Neither the Purchaser nor the Seller may rely on the failure of any condition set forth in Sections 8.1 or 8.2, as the case may be, if such failure was primarily due to the failure of such party (or, in the case of the Seller, a failure by any Company) to perform any of its obligations under this Agreement.

ARTICLE IX

INDEMNIFICATION

9.1 Survival of Representations and Warranties. All representations and warranties contained in this Agreement (other than the representations and warranties contained in Section 4.9(c)(ii) and Section 4.9(h)) shall terminate on the Closing Date and shall not be subject to any claim after the Closing Date.

9.2 Indemnification by the Seller. Subject to the provisions of this Article IX, the Seller hereby agrees, from and after the Closing, to indemnify and hold the Purchaser, its Affiliates (including the Acquired Subsidiaries), and their respective directors, officers, employees, stockholders, agents, attorneys, representatives, successors and permitted assigns harmless from and against any and all losses, liabilities, claims, demands, judgments, damages, fines, suits, actions, costs and expenses (including without limitation attorneys’ and accountants’ fees) (individually, a “Loss” and, collectively, “Losses”) arising or resulting from, or relating to, any Excluded Liabilities.

9.3 Indemnification by the Purchaser. Subject to the provisions of this Article IX, the Purchaser hereby agrees, from and after the Closing, to indemnify and hold the Seller, its Affiliates, and their respective directors, officers, employees, stockholders, agents, attorneys, representatives, successors and permitted assigns harmless from and against any and all Losses arising or resulting from, or relating to, any Assumed Liabilities.

9.4 Certain Limitations on Indemnification. The amount of any Losses for which indemnification is provided under this Article IX shall be net of any amounts actually recovered by the indemnified party under insurance policies or otherwise with respect to such Losses (net of any expenses incurred in connection with such recovery and net of the amount of any increased insurance premiums or other costs for such indemnified party). Each party shall use its commercially reasonable efforts to recover under insurance policies for any Losses concurrently with seeking indemnification under this Agreement.
9.5 **Tax Treatment of Indemnity Payments.** The Purchaser and the Seller agree to treat any indemnity payment made pursuant to this Article IX as an adjustment to the Purchase Price for federal, state, local and foreign income tax purposes.

9.6 **Survival of Indemnification.** All Liabilities for breach of Section 4.9(c)(ii) or Section 4.9(h) shall survive until the applicable statute of limitations and shall not be subject to objection or disallowance under section 502(e) of the Bankruptcy Code. All Liabilities for indemnification under this Article IX shall survive until the nine-month anniversary of the Closing Date and shall not be subject to objection or disallowance under section 502(e) of the Bankruptcy Code.

**ARTICLE X**

**MISCELLANEOUS**

10.1 **Payment of Sales, Use or Similar Taxes.** All sales, use, transfer, intangible, recordation, documentary stamp or similar Taxes or charges, of any nature whatsoever, applicable to, or resulting from, the transactions contemplated by this Agreement (“Transfer Taxes”) shall be borne equally by the Purchaser and the Seller. The Purchaser and the Seller shall cooperate with each other in order to minimize applicable Transfer Taxes in a manner that is mutually agreeable and in compliance with applicable Law, and shall to that extent execute such documents, agreements, applications, instruments, or other forms or take such actions as reasonably required, and shall permit any such Transfer Taxes to be assessed and paid in accordance with applicable Law.

10.2 **Expenses.** Except as otherwise provided in this Agreement, each of the Sellers and the Purchaser shall bear its own and its respective Affiliates’ expenses incurred in connection with the negotiation and execution of this Agreement and each other agreement, document and instrument contemplated by this Agreement and the consummation of the transactions contemplated hereby and thereby.

10.3 **Entire Agreement; Amendments and Waivers.** This Agreement (including the schedules and exhibits hereto), the Guarantees, the Ancillary Agreements and the Confidentiality Agreements represent the entire understanding and agreement between the parties hereto and their respective Affiliates with respect to the subject matter hereof and supersede all prior agreements and understandings between the parties hereto and their respective Affiliates with respect to such subject matter, including the Original Purchase Agreement. Upon the Closing, the non-solicitation obligation of Purchaser and its Affiliates under the Confidentiality Agreements with respect to employees of the Business shall be of no further force and effect. This Agreement can be amended, supplemented or changed, and any provision hereof can be waived, only by written instrument making specific reference to this Agreement signed by the party against whom enforcement of any such amendment, supplement, modification or waiver is sought. The waiver by any party hereto of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any other or subsequent breach. No
failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

10.4 Notices. All notices and other communications under this Agreement shall be in writing and shall be deemed given (i) when delivered personally by hand (with written confirmation of receipt), (ii) when sent by facsimile (with written confirmation of transmission) or (iii) one business day following the day sent by overnight courier (with written confirmation of receipt), in each case at the following addresses and facsimile numbers (or to such other address or facsimile number as a party may have specified by notice given to the other party pursuant to this provision):

10.5 Binding Effect; No Third-Party Beneficiaries; Assignment. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Nothing in this Agreement shall create or be deemed to create any third party beneficiary rights in any Person not a party to this Agreement. No assignment of this Agreement or of any rights or obligations hereunder may be made by either the Seller or the Purchaser, directly or indirectly (by operation of law or otherwise), without the prior written consent of the other party hereto and any attempted assignment without the required consents shall be void; provided, however, that the Purchaser may at any time assign any or all of its rights or obligations under this Agreement to one or more of its Subsidiaries. No assignment of any obligations hereunder shall relieve the parties hereto of any such obligations. Upon any such permitted assignment, the references in this Agreement to the assigning party shall also apply to any such assignee unless the context otherwise requires.

10.6 Enforcement.

(a) The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that each of the parties shall be entitled to equitable relief to prevent or remedy breaches of this Agreement, without the proof of actual damages, including in the form of an injunction or injunctions or orders for specific performance in respect of such breaches. Each party
agrees to waive any requirement for the security or posting of any bond in connection with any such equitable remedy. Each party further agrees that the only permitted objection that it may raise in response to any action for equitable relief is that it contests the existence of a breach or threatened breach of the provisions of this Agreement.

(b) Notwithstanding any other provision of this Agreement, the sole and exclusive pre-Closing remedy of Purchaser, Parent, the Seller, their respective Affiliates and any other Person for any breach or threatened breach of this Agreement prior to Closing by the Seller or the Purchaser, as the case may be, shall be the right of the Seller or Purchaser to seek an injunction or injunctions against any such breach or to specifically enforce the other party’s obligations hereunder or the right to terminate this Agreement in accordance with, and subject to, the terms and conditions of Section 3.3 and receive the amounts, if any, that become payable pursuant to Section 3.5 (it being understood that in no event will the Purchaser be entitled to seek or receive both an injunction or grant of specific performance and such amounts). Seller agrees, to the extent the Purchaser is successful on the merits, to pay all reasonable costs, expenses and fees, including, without limitation, all reasonable attorneys’ fees which may be incurred by the Purchaser in enforcing its rights under Section 10.6(a). All other claims, rights and causes of action, including any right to seek monetary damages, by the Purchaser, Parent, the Seller or their respective Affiliates or any other Person against the Purchaser, the Guarantors, Seller, any of their respective Affiliates or any of their or their respective Affiliates’ Representatives or former, current or future general or limited partners, members or stockholders is hereby fully waived, released and forever discharged.

10.7 Counterparts. This Agreement may be executed in multiple counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement.

10.8 GOVERNING LAW; SUBMISSION TO JURISDICTION; CONSENT TO SERVICE OF PROCESS; WAIVER OF JURY TRIAL.

(a) THIS AGREEMENT, AND ALL CLAIMS OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT) THAT MAY BE BASED UPON, ARISE OUT OF OR RELATE TO THIS AGREEMENT (INCLUDING ANY AMENDMENT, SUPPLEMENT OR WAIVER OF THIS AGREEMENT), OR THE NEGOTIATION, EXECUTION OR PERFORMANCE OF THIS AGREEMENT (INCLUDING ANY AMENDMENT, SUPPLEMENT OR WAIVER OF THIS AGREEMENT) AND THE TRANSACTIONS CONTEMPLATED HEREBY, SHALL BE GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK.

(b) EACH OF THE PARTIES:

(i) SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY FEDERAL OR STATE COURT LOCATED WITHIN THE BOROUGH OF MANHATTAN OF THE CITY, COUNTY AND STATE OF NEW YORK
OVER ANY DISPUTE ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY, AND AGREES THAT ALL CLAIMS IN RESPECT OF SUCH DISPUTE OR ANY SUIT, ACTION PROCEEDING RELATED THERETO MAY BE HEARD AND DETERMINED IN SUCH COURTS; PROVIDED, HOWEVER, THAT DURING THE PENDENCY OF THE BANKRUPTCY CASE, THE BANKRUPTCY COURT SHALL HAVE AND RETAIN EXCLUSIVE JURISDICTION TO ENFORCE THE TERMS OF THIS AGREEMENT AND TO DECIDE ANY CLAIMS OR DISPUTES WHICH MAY ARISE OR RESULT FROM, OR BE CONNECTED WITH, THIS AGREEMENT, ANY BREACH OR DEFAULT HEREUNDER, OR THE TRANSACTIONS CONTEMPLATED HEREBY;

(ii) WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION WHICH SUCH PARTY MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH DISPUTE BROUGHT IN SUCH COURT OR ANY DEFENSE OF INCONVENIENT FORUM FOR THE MAINTENANCE OF SUCH DISPUTE;

(iii) AGREES THAT A JUDGMENT IN ANY SUCH DISPUTE MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW;

(iv) IRREVOCABLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT; AND

(v) CONSENTS TO PROCESS BEING SERVED BY ANY PARTY TO THIS AGREEMENT IN ANY SUIT, ACTION OR PROCEEDING BY THE DELIVERY OF A COPY THEREOF IN ACCORDANCE WITH THE PROVISIONS OF SECTION 10.4.

10.9 Treatment as Administrative Expenses. Any amounts at any time payable under Section 3.5 or any other provision of this Agreement shall be deemed allowed administrative claims in the Bankruptcy Case of any Seller that is a Debtor, with priority over any and all claims of the kind specified in 11 U.S.C. §§ 503(b) and 507(b) pursuant to 11 U.S.C. § 364(c)(1), which claim shall be senior to, and have priority over, all other claims other than any claims arising under that certain Senior Secured Superpriority Debtor-In-Possession Credit Agreement, dated as of September 17, 2008, by and among LBHI, Barclays Bank plc and BarCap.
